

This architectural floor plan illustrates the layout of a residential facility, specifically a 'FOYER de VIE' (Living Room) and associated rooms. The plan includes the following details:

- Rooms and Areas:**
 - V005:** A room with a 'sani. résid. PMR' (residential sanitary facility for PMR) and a 'circulation SAM' area.
 - V006:** 'SAM résidents' (67 m²), a large room with multiple beds.
 - V007:** 'circul L.T.' (9 m²), a circulation area.
 - V008:** 'autres réserves bagages' (15 m²), storage for other baggage.
 - V009:** A room with 'TGBT' (transformer and control cabinet) and 'TG&T onduleur' (transformer and control cabinet).
 - V010:** 'VDI' (8 m²), a room.
 - V011:** A room with 'EP' (electrical panel) and 'G72' (equipment).
 - V012:** A room with 'CF 1/2h + FP' (cable 1/2h + FP) and 'G69' (equipment).
 - V013:** A room with 'office/chariots' (9 m²) and 'stock. pers.' (5 m²).
 - V014:** A room with 'stock. pers.' (5 m²) and 'parois CF 1h' (cable 1h).
 - V080:** A room with 'CF 1/2h + FP' (cable 1/2h + FP) and 'G67' (equipment).
- Corridors and Circulation:**
 - circulation SAM:** A circulation area for SAM residents.
 - circul L.T.:** A circulation area for L.T. (Long Term) residents.
 - VB 3UP:** A vertical circulation area (3UP).
- Technical Details:**
 - IS 3UP:** A technical detail indicating a 3UP (3rd floor) area.
 - seuil < 2cm:** A technical detail indicating a threshold height of less than 2cm.
 - parois PF 1/2h sur 2m:** A technical detail indicating a 1/2h PF (cable) area on a 2m wall.
 - dévolement sous FP:** A technical detail indicating a cable development under a floor plate (FP).
 - doublage thermique sur locaux non-chauffés:** A technical detail indicating thermal insulation on non-heated rooms.
- Other Features:**
 - Asc.:** An elevator area.
 - SAS:** A small room or area.
 - JD:** A technical detail indicating a junction or joint.
 - EP:** An electrical panel.
 - G66, G67, G69, G70, G71, G72, G73:** Various equipment and fixtures.
 - F11:** A technical detail indicating a floor level or feature.
 - Appui 2,90:** A technical detail indicating a support height of 2.90m.
 - ENS23:** A technical detail indicating a specific equipment or feature.
 - 21 x 15,7 = 330:** A technical detail indicating a specific dimension or area.
