

This architectural drawing shows a detailed elevation of a building facade. The facade is characterized by a regular grid of windows and doors. The drawing includes numerous numerical dimensions for heights and widths, indicating precise measurements for construction. A section of the facade is labeled 'Batiment B' and is shaded with diagonal lines. The drawing is oriented with a north arrow pointing towards the top right. The overall layout is a long, horizontal structure with a series of vertical and horizontal lines defining the window and door openings. The dimensions are provided in meters, with some values in parentheses indicating specific points or levels. The drawing is a technical representation of a building's exterior, showing the arrangement and proportions of its architectural elements.
