## Platea spotlight 70 W HIT

Product code:  
7385

### Technical description:

Outdoor spotlight designed for use with metal halide discharge lamps. Manufactured from diecast aluminium with a 99.95% superpure aluminium sheet circular optic. Aluminium-sheet component-holding plate with stainless-steel screws. The front part has a protective glass covered opening with a silicone sealing gasket which enables access to the optical box. A double PG 11 cable clamp enables the insertion of cables. The angling system is fixed by using locking screws with the help of a graduated scale.

### Installation:

On a wall or on the ground thanks to the use of a directable rod (in aluminium) to be fixed using plastic expansion plugs.

Dimension:  
431x250mm H 146mm

Color  
Grey (15)

Weight  
6 Kg

### Light Source:

Type:	HIT (CDM-T)	Socket:	G12
Wattage:	70 Watt	Voltage:	230 Volt
Luminous flux:	6600 Lm	Efficiency:	94 Lm/W
Color temperature:	3000 K	IRC:	81 Ra
Last:	9000 hr		

### Wiring:

Ballast and Ignitor for 70 W discharge lamp G12. Complete with capacitor.

### Technical Characteristics:

Protection Degree:	IP 66	Complies with EN605981 and pertinent regulations
Insulation Class:	Class II	Complies with EN605981 and pertinent regulations
Resistance:	960°C	

### Quality seal:

IMQ

European unified seal

F-mark

IMQ - Performance

IK05
