ARTICLE 1: OBJECT AND SCOPE OF THE TENDER

Object of the tender

The tender covers the award of a service contract covering “SWITCH-2-CE Initial Study – Methodology, CE Mapping, CE Maturity Assessment and Dissemination Strategy”.

For the purposes of this tender:

- The **contracting authority** is Expertise France.
- A **tenderer** is an economic operator (or several economic operators organised into a consortium) wishing to take part in this tender process and that submits an application.
- The **contractor** is the tenderer that will be awarded the contract through this tender process.
- The **contract** is the agreement between the contracting authority and the contractor regarding the provision of services by the contractor to the contracting authority.

The Draft Contract is part of the Tender Dossier.

The specifications of the needs to be satisfied are set out in a Terms of Reference (ToR) document that is part of the Tender Dossier.

Scope of the tender

This contract is subject to the French Public Procurement Code (CPP) in its applicable version under Ordinance no. 2018-1074 of 26 November 2018, establishing the legislative elements of Decree no. 2018-1075 of 3 December 2018, establishing the regulatory elements of the Public Procurement.

The tender procedure is open tender in application of L. 2124-2, R. 2161-2, R. 2161-3, R. 2161-4 and R. 2161-5 of CCP.

Provisional schedule of the tender

Estimated date	Stage
17/02/2025	Bid submission deadline
02/03/2024	Bid negotiation and interview
16/03/2025	Rejection letters sent to non-selected candidates
01/04/2025	Contract award

Tender language – currency

All the tender documents must be written in English.

The Contracting Authority will conclude contracts in the following currency: euro (€).

Composition of the tender documents

The tender documents are composed of the following:

- These tender rules (the “Rules”);
- The draft contract (general conditions and special conditions) and any annexes;
- The Specifications (Terms of References)
- The Expression of Interest form
- The third-party identification sheet
- The application form;
- The candidate GDPR compliance verification form;
- DAJ_GU006ENG_v01 - PLACE user guide for companies.
- The Sworn Declaration relating to Exclusion Criteria and the Absence of Conflicts of Interest

Modification of the tender documents

Modifications may be made to the tender documents up to 4 days prior to the bid submission deadline.

Modifications are only forwarded to the economic operators duly identified during the tender document consultation phase.

Candidates/bidders must respond on the basis of the latest modified documents. Should any candidate/bidder have submitted any bid or offer prior to modification, they may resubmit based on the latest modified documents prior to the bid reception deadline.

ARTICLE 2: GENERAL CHARACTERISTICS OF THE PROPOSED CONTRACT

Form of the contract

The contract is a service contract entered into with a single operator (single contractor).

Estimated amount of the need

The amount of the contract is of maximum 99 000 € Exc VAT.

Term of the contract

The provisional term of the contract is 11 months from its award date.

Allotment

This tender is not divided into lots

Options

Similar services

Under Article R.2122-7 of the French Public Procurement Code, in the context of a negotiated procedure without competitive bidding, the contractor may be awarded similar services to those of the initial contract. The period during which such contracts may be entered into may not exceed three years from the award date of the initial contract.

ARTICLE 3: CANDIDATE PARTICIPATION CONDITIONS

Candidate presentation conditions

Different candidates cannot be represented by the same person (Article R. 2142-4 of the CCP).

A candidate cannot be present in offers at once, such as presenting an individual application as well as an application as a member of a consortium, or applications as a member of several consortia.

In the event of an application being made by a consortium, each member of the consortium must provide all the documents and information regarding its legal, professional, technical and financial capacity. The consortium's capacities will be assessed on an overall basis.

Grounds and conditions of exclusion

Notably under:

- The French Law no. 2016-1691 of 9 December 2016 on transparency, anti-corruption and modernisation of the economy, the so-called "Sapin 2" law;

- Chapter II of the French Monetary and Financial Code setting out provisions for the freezing of assets and the prohibition of making funds available (notably Article L. 562-4 and Article L. 562-5);
- Relevant requirements emanating from accreditation for managing delegated EU funds (Pillar 7 relating to exclusion from accessing financing);

Candidates or their representative in any of the situations set out in Articles L.2141-1 to L.2141-10 of the French Public Procurement Code, or which are on any official exclusion list, shall be excluded from the procedure, whether their situation is established by means of their own declarations or through the application of vigilance measures by the contracting authority.

However, where the exclusion decision is at the discretion of the contracting authority, it shall invite the candidate(s) liable to exclusion to present their observations in order to establish, via all means and within a reasonable period not exceeding 10 days, that the measures required to rectify the failings laying behind exclusion have been taken and, as applicable, that their participation in the tender will not undermine equality of treatment among the bidders.

Where an operator finds itself to be in a position of exclusion during the procedure, it shall notify the contracting authority without delay, which shall apply exclusion on these grounds.

Minimum prerequisites in terms of economic, technical and professional capacity

The contracting authority does not impose minimum capacity levels on candidates.

Specific requirements for consortia of economic operators

Grounds for the exclusion of consortia

Where the grounds for exclusion from the tender procedure concern one of the consortium members, the contracting authority shall demand its replacement by an entity not subject to the grounds for exclusion, to take place within 10 days of the lead company receiving said demand. Failing this, the consortium shall be excluded from the procedure;

Form of the consortium

In the event that the consortium would win the contract, the lead company would be jointly and severally liable towards Expertise France for the execution of the contract by each of the consortium members.

Subcontracting

Grounds for exclusion in the case of subcontracting

Entities subject to grounds for exclusion cannot be accepted as subcontractors.

Where the subcontractor subject to grounds for exclusion is presented at the application phase, the contracting authority shall demand its replacement by an entity not subject to the grounds for exclusion, to take place within 10 days of the candidate receiving said demand. Failing this, the candidate shall be excluded from the procedure.

Presentation of a subcontractor

Subcontractors are to be presented using form DC 4 (Subcontracting Declaration)¹ duly completed by the subcontractor and the candidate, incorporating a statement of the subcontractor's professional, technical and financial capacity, in addition to a sworn declaration that the subcontractor is not subject to any prohibition on participating in public procurement.

ARTICLE 4: PRESENTATION OF BIDS AND SUBMISSION PROCESS

Bidders must submit a complete bid incorporating the documents specified below. The requested documents must be signed by the bidder, the lead company of the temporary consortium or each of the members of the consortium.

Application documents

The candidates must submit the following application documents:

- The attached Tender application form;
- The attached GDPR compliance verification form, used to verify that the bidder has implemented appropriate technical and organizational measures such that data processing complies with relevant data protection laws and regulations (GDPR and French data protection legislation), thereby guaranteeing the rights of data subjects;
- The attached Third party identification sheet
- The completed Sworn Declaration relating to Exclusion Criteria and the Absence of Conflicts of Interest
- A description of the human resources that meet the participation conditions set out above:
 - o A declaration stating the company's current headcount and the number of supervisory personnel;

The candidates must also provide:

- Proof of registration at the trade and companies' registry;
- Currently valid insurance certificates for civil and/or professional liability;
- Any other certificate relating to compliance with compulsory organisations
- In the event of insolvency proceedings, a copy of the judgements regarding the insolvency

In the event that the tenderer is a consortium: each member of the consortium must provide all of the above mentioned documents.

As mentioned above, any subcontractor must be presented using form DC4. All of the documents provided required of a candidate must also be provided for the proposed subcontractor.

Bid documents

Candidates must submit a complete bid file containing the following documents:

- The draft contract, duly completed signed and dated, and in annex:
 - o the duly completed financial annexes;
 - o the annex covering the definition and conditions for processing personal data on behalf of the contracting authority, duly completed;
- A technical addendum containing the following information:
 - o Description of the team made available for the proper performance of the contract (profiles, skills, experience, etc.) s equipment or service proposed - see 'CV appendix' to be completed
 - o Proposed methodology for implementing the services defined in the specifications Action plan
 - o Schedule

¹ Form DC4 is available at: <https://www.economie.gouv.fr/daj/formulaires-mise-a-jour-formulaire-declaration-sous-traitance-dans-marches-publics>

- List of deliverables
- Etc...

Bid validity period

The validity of bids submitted shall be at least 120 days from the submission deadline.

Bid submission process

Bids submitted in paper format

Bids submitted in paper format will be rejected.

Electronic submission

In order to access the tender consultation space or to submit their bid, bidders must connect to the French government procurement platform at:

<https://www.marches-publics.gouv.fr>

Electronic submission is mandatory. Any submission via other means will be rejected.

The bid submission procedure is detailed on the website www.marches-publics.gouv.fr.

On this site, bidders will notably find a user guide available for download which specifies the platform's conditions of use, notably the technical prerequisites and electronic certificates.

Should they so wish, bidders may make contact by phone on 01 76 64 74 07 on all business days between 9am and 7pm in order to obtain technical assistance with how to complete all the necessary tasks.

In the event of allotment, all lots must be covered by an electronic submission. However, it is possible to make a single electronic submission for multiple lots provided that the lots covered by a bid can be identified without ambiguity.

The costs of accessing the network and of electronic signature shall be borne by the candidate.

Bidders are invited to test the configuration of their work device and to perform a test tender to ensure that their technical environment is functioning as required.

Bidders' attention is drawn to the fact that they must at least have internet browser software. It is not mandatory to have an electronic signature system.

In order to make an offer, bidders must forward files in the following computer formats: PDF, RTF, ZIP, suite Microsoft Office, LibreOffice or Open Office. Any computer file in a different format will be declared null and void.

NOTE:

All bid files must be free of computer viruses and must have been previously treated to this end by the bidder, using the latest version of an antivirus software. The same applies to all other files exchanged during this public procurement procedure.

The contracting authority may place any file containing a virus in a security archive. It will therefore be deemed never to have been received.

NB: Bidders' attention is drawn to the time required to deliver large volume electronic files. The average downloading time may vary according to various parameters, such as the technical capacity of the device, the type of internet connection, traffic on the network, etc.

To the extent that the date and time of completed upload constitutes the legal reference for submission of electronic bids, bidders are invited to allow sufficient time for all electronic submissions.

Even though its bid for this public procurement procedure will have been submitted electronically, the bidder undertakes, notably if its bid has been accepted, to provide contractually valid paper documents. In this regard, it also undertakes that the natural person providing the electronic signature also provides their handwritten signature without making any modifications to the documents, to be forwarded to the contracting authority in this format. Lastly, the bidder undertakes to accept notification in paper format, in accordance with standard practices.

ARTICLE 5: ANALYSIS OF APPLICATIONS

Applications are selected by the Evaluation Committee of Expertise France in accordance with the following procedure.

Under Article R.2161-4 of the French Public Procurement Code, the Evaluation Committee may decide to examine offers before applications.

In such cases, the supporting documentation for aptitude and capacity and the evidence relating to grounds for exclusion are only requested by the contracting authority from bidders preselected for award of the tender.

Application supplementary information requests

Before examining applications, should the contracting authority note that requested documents or information are missing or incomplete, it may ask the bidders concerned to complete their application pack within a deadline applicable to all such bidders. The deadline will be specified in the request for supplementary information.

Applications that are incomplete or which remain incomplete following a request for additional information will be eliminated.

Rejection of late applications - Opening bids

The Bid Opening Committee (meeting in non-public session) lists the bids received, the identity of applicants and the composition of the bids submitted.

Bids received after the deadline will be immediately rejected.

Admissibility of applications

In accordance with Article 3 of this document covering the conditions for participation, the Evaluation Committee of Expertise France analyses the admissibility of applications based on the following criteria:

- Candidate's registration at the trade and companies registry (or equivalent)
- Candidate's compliance with its social security obligations
- Candidate's compliance with its tax obligations
- The applicant must not be in any of the situations set out in Articles L. 2141-1 to L. 2141-6 and L. 2141-7 to L. 2141-11 of the French Public Procurement Code, nor be on any official exclusion list, whether their situation is established by means of their own declarations or through the application of vigilance measures by the contracting authority
- The candidate or its representative must not be in a situation of conflict of interest vis-à-vis the contracting authority and/or any beneficiary of the procurement contract
- The candidate must be able to demonstrate adequate implementation of appropriate technical and organisational measures such that data processing conforms with relevant data protection laws and regulations (GDPR and French data protection legislation), thereby guaranteeing the rights of data subjects

ARTICLE 6: BID EVALUATION, NEGOTIATIONS AND AWARD

The bid selection procedure is conducted by the Evaluation Committee of Expertise France in accordance with the following procedure:

Rejection of late bids - Opening bids

The Bid Opening Committee (meeting in non-public session) lists the bids received, the identity of applicants and the composition of the bids submitted.

Bids received after the deadline will be immediately rejected.

Bid analysis

After having verified that the bids received are conforming, admissible and appropriate, the Evaluation Committee of Expertise France analyses the bids from selected bidders in accordance with the following criteria.

Rejection of non-conforming, inadmissible or inappropriate bids

The Evaluation Committee examines all bids received and, in accordance with Article R.2152-1 of the French Public Procurement Code, rejects bids judged to be non-conforming, inadmissible or inappropriate, as applicable, after having implemented the regularisation procedure set out in Article R.2152-2 of said code.

Comparison of bids for selection of the most economically beneficial bid

Bids will be assessed separately in accordance with the following criteria by awarding a score up to the maximum number of points per criterion as set out below:

Criterion 1: price of the services

The **financial score (FS out of a maximum of 30 points)** will cover a financial offer including a complete and detailed budget estimate by type of expenditure for the different activities..

Criterion 2: Technical offer (out of a maximum of 70 points)

Criteria	Sub-criteria for assessing the technical quality	Maximum number of points
Criteria 1:	Understanding of the mission and relevance of previous experience (demonstrated understanding of the mission; relevant experience in circular economy, particularly in the two targeted value chains as well as in public policies analysis; relevant regional experience and networks in East and Southern Africa, particularly with circular economy or waste management initiatives, and familiarity with local contexts and stakeholders...)	20
Criteria 2	Quality of methodology (quality of the proposed methodology for the assessment, inclusion of gender aspects, etc...)	15

Criteria 3 :	Quality of project organisation (quality and feasibility, of the proposed work plan, data collection and analysis plan, capacity to mobilise stakeholders, quality assurance mechanisms, etc...)	20
Criteria 4 :	Suitability and quality of the proposed team (qualifications, skills and experience of the core team of experts in charge of conducting the assessment, and its proficiency in written and spoken of English...)	15

Each technical offer, deemed to be technically conforming, will be attributed a **technical score (TS out of a maximum of 60 points)** by adding up the weighted scores obtained for each sub-criterion.

Negotiations

After conducting an initial analysis of the bids, the Evaluation Committee may negotiate with all or some of the bidders in accordance with the principle of equality of treatment.

However, the contracting authority reserves the right to award the tender without negotiation.

Bidder interviews – bid negotiations

Eventually bidders may be invited to visit the premises of Expertise France in order to present their bid. Shortlisted candidates may be invited to an oral audition.

Following the presentation, the meeting may include a negotiation phase covering all or parts of the bid.

Negotiations may take place remotely.

Award process

An **overall score (OS out of a maximum of 100 points)** obtained by adding together the technical and financial scores (**OS=FS+TS**) will be attributed to each bid that has been assessed for its technical and financial content.

The bidder who obtains the highest overall score will be deemed to have made the most beneficial economic offer and will be awarded the contract.

The contracting authority may decide not to pursue the tender for reasons of public interest.

ARTICLE 7: PROCESSING OF PERSONAL DATA IN THE CONTEXT OF THIS TENDER AND FOR THE PURPOSES OF CONTRACT MONITORING

Under Article 13 or Regulation (EU) no. 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (GDPR), the applicants/bidders are notified that personal data, notably name, first name and e-mail address collected when using under the French government procurement platform (<https://www.marches-publics.gouv.fr>) in the context of this tender procedure and execution of the associated contract, may be processed.
