

De: <b>SECC</b>	Affaire: <b>ONP</b>	Phase: <b>DCE</b>
-----------------	---------------------	-------------------

A 3D exploded view of a mechanical assembly. It consists of three main components: a base plate with a semi-circular front edge, a middle plate with a central rectangular cutout, and a top cover with a matching semi-circular front edge. The components are shown in a perspective view, with the middle plate positioned between the base and the top cover.
