

## An architectural rendering of the University of Bologna campus. The scene depicts a large, modern building complex with a central courtyard. The buildings are light-colored with multiple stories and many windows. In the foreground, there is a paved walkway with several people walking and a person on a bicycle. Large, mature trees with dense green foliage are scattered throughout the courtyard and along the walkway. A small, covered entrance area is visible in the center of the courtyard. The sky is clear and blue.
