In the event of an application being made by a consortium of economic operators, each member of the consortium must provide all the documents and information certifying their legal, professional, technical and financial capacity. The consortium's capacities will be assessed on an overall basis.

However, where the exclusion decision is at the discretion of the contracting authority, it shall invite the candidate(s) liable to exclusion to present their observations in order to establish, via all means and within a reasonable period not exceeding 10 days, that the measures required to rectify the failings laying behind exclusion have been taken and, as applicable, that their participation in the tender will not undermine equality of treatment among the bidders.
