The diagram shows a round table with 9 chairs and 9 place settings. The chairs are represented by green circles with a cross, and the place settings are represented by orange rectangles. The table is divided into 9 equal segments, each containing a chair and a place setting.

The floor plan shows a rectangular building layout. A large rectangular area on the left is filled with vertical pink lines, representing a parking lot or a specific room. To the right of this area is a large open space. A green staircase is located in the upper right corner of the open space. A red line runs along the top and right edges of the building. A blue rectangular area is located near the top center. A pink rectangular area is located near the bottom center. A pink curved line is located near the bottom right corner.

The floor plan shows a rectangular office space with a total area of 38.20 m². The dimensions are 16.67 m by 2.30 m. The plan includes a door, a window, and a small alcove. The area is divided into two sections: a main office area of 34.20 m² and a smaller section of 4.00 m².
