The tender documents can be downloaded from the website:

<https://www.marches-publics.gouv.fr/>

IFREMER

1625 route de Sainte Anne

29280 Plouzané

1. Purpose of the consultation

1.1. Object

The purpose of this contract is the rental of a mobile winch to be installed on the vessel Pourquoi Pas?

1.2. Type of procedure

The chosen procedure is the amended procedure contract in accordance with articles R2123-1 1° and R2123-4 of the public procurement code.

1.3. Form of contract

The present contract is a framework agreement with purchase orders pursuant to Articles L2125-1 and R2162-3 of the French Public Order Code.

1.4. CCAG

The present contract will refer to the CCAG/FCS of March 30, 2021, which approves the general administrative clauses applicable to public contracts for current supplies and services.

2. Organization of the consultation

2.1 Content of the tender

Candidates interested in this consultation submit a tender including:

- The special administrative terms and conditions (STC) completed, dated and signed ;
- The decomposition of the price ;
- The BPU
- The technical report.

The tender is expressed in euros. In the case of a bid expressed in another currency, the contracting authority shall apply for the comparison of tenders the chancery exchange rates published by the French Treasury at the date of submission of tenders. These rates of change indicate the euro equivalent of foreign currencies.

2.2 Variants

Variants are not allowed.

2.3 Négociation

Following analysis of the proposals, Ifremer reserves the right to conduct one or more phases of negotiation with the candidate(s) whose proposals are judged to be the most satisfactory in terms of the judging criteria. Discussions may cover all aspects of the offer, both technical and financial. Where appropriate, the outcome of negotiations will be finalized with the selected candidate before notification of the contract. The contracting authority may award the contract directly without negotiation.

2.4 Allotment

This contract is not divided into lots because of the purpose of the services which constitutes a homogeneous whole which cannot be divided.

2.5 Deadline for validity of tenders

The period of validity of offers is set at 180 days from the deadline for submission of bids.

3. Judgment of the tenders

The criteria for judging the tenders will be as follows :

- **Price note : 50 %**

The price score (NP) is calculated on the basis of the maximum total amount (excluding VAT) indicated in the CCP, which serves as the act of engagement.

The maximum score of 20 is awarded to the candidate presenting the lowest maximum total amount. The scores of the other candidates are awarded according to the formula below:

$$NP = 20 \times (\text{lowest maximum total amount before tax} / \text{maximum total amount of the bid analyzed})$$

- **Technical quality : 40%**

The tender will be scored out of 100 and then reduced to 20 according to the following sub-criteria :

Evaluation sub-criteria	Notation
The winch must be fully compliant with the technical specifications.	50/100
The rope must be fully compliant with the technical specifications.	10/100
The winch must be easy to integrate on the vessel.	40/100

- **Environmental quality : 10%**

The tender will be scored out of 20 according to the following sub-criterion:

Evaluation sub-criteria	Notation
Measures taken by the candidate to ensure an environmentally respectful delivery, as well as the quality of the information provided regarding the sustainable use and maintenance of the equipment.	/20

4. Preventing the risk of conflicts of interest and corruption

The contractor undertakes to inform Ifremer of any situation likely to lead to a conflict of interest. A conflict of interest is any situation in which a person who participates in or is likely to influence the outcome of the procurement procedure has, directly or indirectly, a financial, economic or other personal interest that could compromise his or her impartiality or independence in the procurement procedure.

5. Transmission of tenders

Tenders must be submitted using internet platform: PLACE <https://www.marches-publics.gouv.fr/>

6. Documents to be provided by the successful candidate

In order to be able to notify the contract, the successful applicant will be asked to submit the certificates and attestations mentioned below.

- 1) Nominative list of foreign employees subject to authorisation,
- 2) Vigilance certificate (6 months),
- 3) Certificate of tax regularity,
- 4) Civil and professional insurance certificates.
