

Architectural section drawing of a building facade, showing the existing structure and a proposed future platform. The drawing includes elevation markers for various levels (Niv. 0 to Niv. 3) and a central section labeled "EMPLACEMENT FUTURE PLATEFORME". The existing structure is labeled "EXISTANT" and the proposed structure is labeled "OUEST".

Key features and labels:

- OUEST**: Label for the left side of the section.
- EXISTANT**: Label for the right side of the section.
- EMPLACEMENT FUTURE PLATEFORME**: Label for the central proposed platform area.
- BRISE-VUE bandage ondulé structure acier galva conservé**: Label for the existing corrugated metal structure.
- Falaise 544.60**: Label for the existing structure.
- FORME A CONSERVER Niv. 1 540.16**: Label for the existing structure.
- Niv. 3 540.19**, **Niv. 2 535.10**, **Niv. 1 530.05**, **Niv. 0 526.10**: Elevation markers for the existing structure.
- Cour Sud 526.08**: Label for the central courtyard area.
- Niv. 2 535.10**, **Niv. 1 530.05**, **Niv. 0 526.10**: Elevation markers for the proposed platform.

Architectural elevation drawing of a building facade. The drawing includes the following annotations:

- Dimensions:**
 - Horizontal dimensions: 2.39, 4.79, 2.40, 4.79.
 - Vertical dimensions: 3.25, 4.48, 3.23 (H depuis dalle), 9.58.
- Structural Elements:**
 - 542-89 (pointing to a horizontal line)
 - acrotère: 539.51 (pointing to a horizontal line)
 - palier 540.19 (pointing to a horizontal line)
 - 542-89 (pointing to a horizontal line)
- Material/Detail Callouts:**
 - poutre BA retroussée
 - retour étanchéité métal
 - débord étanchéité
 - étanchéité + JD
 - hauteur Brise-vue Clévia
 - retour casquette Brise-vue Clévia
- Other Labels:**
 - A, B, C (vertical labels)
 - acrotère 539.51 (red label)
