

Technical drawing of a mechanical part, likely a valve or plug, showing two cross-sections: A-A and B-B. The part has a complex, stepped profile. Section A-A is a vertical cross-section showing the internal structure, including a central cavity and a flange at the bottom. Section B-B is a horizontal cross-section showing the top surface, which is flat and features a central circular opening. The drawing includes dimension lines and labels for various parts and sections.
