

The floor plan illustrates the layout of the 7th floor, centered around the 'RADOME RADAR'. Key features include:

- Radome Area:** A large circular structure with concentric circles. The innermost circle is labeled '501,3'. The text 'RADOME RADAR' is positioned near the center. A blue line indicates the 'IMPLANTATION EQUIPEMENT ELECTRIQUE RADOME R+7 A CONFIRMER'.
- Rooms and Structures:**
 - COIFFE MONTE CHARGE:** A rectangular structure on the left side.
 - COIFFE GAINÉ ASCENSEUR:** A large rectangular structure on the right side.
 - SKYDOME ESCALIER:** A rectangular structure in the top right corner.
 - TRAPPE ACCES TOIT:** A rectangular structure in the bottom right corner.
- Equipment and Markers:**
 - WEBCAM:** A purple label with a camera icon near the bottom center.
 - Icons:** Various icons representing different types of equipment, including a computer monitor, a server rack, a network switch, and a camera.
 - Yellow Dashed Line:** A boundary line running along the perimeter of the main area.
 - Red Dashed Line:** A boundary line running along the outer edge of the floor plan.
