[illegible][illegible]

Architectural elevation drawing of the south-east facade of a building, showing the roofline, walls, and structural elements. The drawing includes labels for various components such as "BATIMENT E stockage et hangar 10,13", "BATIMENT D atelier 38,11", "BATIMENT MITOYEN", "FACADE SUD EST EN LIMITE DE PROPRIETE", and "BAT CDE - Façade Sud-Est". It also features elevation markers like +4.95, +437.90 NGF, +5.91, +438.86 NGF, +8.12, +441.07 NGF, +6.69, +439.64 NGF, and +6.69, +439.64 NGF. The drawing shows a complex roof structure with multiple gables and a central section with a flat roof. The walls are made of concrete and metal. The drawing is a technical architectural elevation.
