Article 1. PURCHASER

The French Media Development Agency - CFI

(Transtélé Canal France International)

62 rue Camille Desmoulins

92132 Issy-les-Moulineaux

Article 2. SUBJECT OF THE TENDER

2.1. Title of the framework service contract

This contract is a service framework service contract relating to Editorial Advisory and mentoring of grantees within the framework of the project “Empowering Palestinian and Israeli civil societies and media” through purchase orders.

2.2. Services entrusted to the Service Provider

The expectations of the Services are detailed in the Terms of Regulations.

2.3. Allotment

Considering the coherence of the Services, which cannot be divided by specialization, and the needs to be ensured, CFI has chosen not to proceed with the allotment of the Framework Service Contract. Indeed, allotment would make the execution of the services technically difficult and financially more expensive.

2.4. Term of the framework service contract

The term of the Service framework service contract is nine (9) months, from the date of notification.

This framework service contract is subject to one (1) renewal under the conditions defined in this article. The maximum total duration of the Contract, including renewal(s), shall not exceed fifteen (15) months.

Renewal is tacit.

In the event that CFI does not wish to renew the framework service contract, it shall notify the Service Provider, by any means that allows for proof of receipt, of its decision not to renew at least one (1) month prior to the anniversary date of this framework service Contract. In the event of non-renewal, no compensation or indemnity of any kind whatsoever may be claimed by the Service Provider

In the event of non-renewal, the Service Provider may not request payment of compensation and the right to payment acquired shall not apply.

The Service Provider cannot refuse renewal¹.

2.5. Framework Service Contract

This Framework Service Framework Service Contract is a multi-award Framework Service Contract with a minimum and a maximum amount² is stated in 2.6. Total estimated value. Thus, the contract will be awarded to two successful bidders.

¹ Pursuant to article R2112-4 of the French Public Procurement Code.

² Pursuant to article R2162-4 of the French Public Procurement Code.

2.6. Total estimated value

The minimum amount of the Framework Service Contract is fifty thousand euros (50 000 €) excluding of tax and the maximum amount is one hundred sixty thousand euros (160 000 €) excluding tax.

The Services of the framework service contract are paid for using a unit price set out in the Pledge of Commitment Form (PCF).

2.7. Advance payment

An advance will be granted by CFI as described below: an advance payment per purchase order issued corresponding to 20% of the total amount of the purchase order.

2.8. Type of process

The Contract is entered into according to the adapted procedure. Adapted procedure is the process whereby CFI freely determines the terms and conditions according to the nature and characteristics of the need to be met and the number or location of candidate likely to meet it.

2.9. Variations and options

Variations and options are not allowed.

Article 3. TENDER DOSSIER (TD)

3.1. Contents of the Tender Dossier

The Tender Dossier contains the following documents:

- The Pledge of Commitment Form (PCF) and its financial appendix: (UPL)

3.3. Modification of the Tender Dossier

CFI reserves the right to make detailed changes to the Tender Dossier. These changes must be received by the candidates no later than six (6) calendar days before the deadline for receiving applications and bids. Candidates must then bid on the basis of the amended dossier with no right to object about this matter.

If the deadline for receipt is postponed while the candidates are examining the dossier, the previous provision shall apply based on this new date.

Article 4. APPLICATION AND BID DOSSIERS

The candidates' attention is drawn to the fact that their bid must comply with the requirements of the Tender Dossier documents and in particular with the provisions of the Terms of Reference (ToR). The Tender Dossier documents must not be modified or subject to reservations, otherwise the bid shall be rejected.

Candidates' applications and bids are written entirely in English and denominated in euros.

The candidates may, if necessary, ask CFI for a French translation of the Tender Dossier (TD) documents.

4.1. Content of the application and bid dossiers

--	---	--

Candidate may present for the award of the framework service contract as a single company or as a consortium of operators with a single representative⁴.

In the event of subcontracting, the candidate shall produce the documents and information necessary for the acceptance of each subcontractor and for the approval of its payment terms⁵. In the event of subcontracting, each subcontractor must submit the [DC4](#) (or equivalent).

To justify its professional, technical and financial capacities, the candidate, even if it is a consortium, may request that the professional, technical and financial capacities of other companies be taken into account, regardless of the legal nature of the links between it and these companies. In this case, it shall justify the capacities of this company or these companies and provide proof that they shall be available to it for the performance of the Contract.

The information written in the Pledge of Commitment Form (PCF) take precedence over all of the other information in the bid and, if any discrepancies are noted in a bid, the amount shall be adjusted accordingly.

4.2. Terms and conditions for sending application and bid dossiers

Candidates must submit their documentation in electronic format.

Documentation is submitted exclusively by electronic means on the platform:

<https://www.marchespublics.gouv.fr>

Complete application and bid dossiers are to be sent and must reach their destination **before the closing date stated on the cover page of this Tender Regulations (TR)**.

Only documentation received before the closing date and time specified on the cover page of this Tender Regulations (TR) will be opened. Bid envelopes that are received or delivered after this date and time won't be opened. Bid envelopes received out of time shall be entered in the submissions register and will be rejected⁶.

⁴ Pursuant to article R2142-19 of the French Public Procurement Code.

⁵ Pursuant to articles R. 2193-1 to R. 2193-2 of the French Public Procurement Code.

⁶ Pursuant to article R 2151-5 of the French Public Procurement Code.

In the case of large files, candidates must ensure that their entire documentation is uploaded before the closing date of receiving bids.

Electronic signature of documents is not required.

It is strongly recommended for each electronic submission on the paperless platform to comply with the following security principles:

- at least 48 hours before the response closing date, run a full test of the technical requirements to be met for electronic submission on the candidate's computer (accessible from the candidate's private space under the heading Help/prerequisites) and contact tech support in case of difficulty;
- optimise the files to limit the total size of the submission to a maximum of 500 MB.

A successful submission does not exempt the candidate from these precautionary principles for subsequent submissions.

Candidates are:

- encouraged to take into consideration the risks of electronic transmission. Therefore, they must take precautions to ensure that the electronic transmission of their bid is complete and successful before the closing date and time for the submission of documentation.
- authorized to send a backup copy by post or against receipt either on a physical electronic medium (preferably a USB stick) or on paper. Backup copies must be sent to the following address in a sealed envelope clearly marked "Backup Copy" and reach CFI before the closing date and time for the receipt of bids:

Transtélé Canal France International
For the attention of Julie DALLET et Alexandre CHATEL
62, rue Camille Desmoulins
92130 Issy-les-Moulineaux

With the mention:

"FRAMEWORK SERVICE CONTRACT_CFI_EDITORIALADVISORY_SIP"

The backup copy is opened in the following cases:

- when a computer virus is detected in the applications or bids transmitted electronically. A trace of any such virus is kept;
- when an electronic application or bid is received incomplete or out of time, or could not be opened, provided that the transmission of the application or electronic bid started before the closing of the submission of bids.

4.3. Bids validity period

The bid validity period is one hundred and sixty (160) calendar days from the bid submission closing date.

By responding to the tender, the candidate is deemed to have unconditionally accepted the tender terms and conditions. Its application and offer shall undertake the entire period stipulated in this article. The candidate cannot withdraw before this period expires.

Article 5. BID SELECTION ANALYSIS

5.1. Verification of bid conformity

CFI checks that bids are appropriate, acceptable and irregular being specified that:

- (a) Inappropriate, a bid unrelated to the framework service contract because it is obviously unable, without substantial modification, to meet CFI’s need and requirements formulated in the tender documents. Inappropriate bids are rejected.
- (b) Unacceptable, a bid has a price which exceeds the budget resources allocated to the framework service contract as determined and established prior to the launch of the process. Unacceptable bids are rejected.
- (c) Irregular, an incomplete bid or which does not comply with the requirements set out in the tender documents, or violates the applicable legislation, in particular regarding employment and environmental matters. Irregular bids may become regular after rectification provided that they are not abnormally low. The regularisation of irregular bids may not have the effect of changing the substantial features of the bids.

5.2. Bid selection criteria

Bids shall be selected in accordance with the fundamental public procurement principles, by applying the following criteria:

Criteria		Weighting
Criterion 1	Technical value of the bid	80%
Sub-criterion 1.1	Relevant Experience The candidate shall demonstrate a proven track record of at least five (5) years in journalism, editing, or editorial coaching, including relevant experience(s) in the Project regions of action.	25

------------------------------	--	--

If the prospective successful candidate is in a situation which disqualifies it from the contracting process or cannot produce the necessary evidence, additional information or explanations required by CFI within the time limit, its application will be rejected and the tenderer whose bid has been ranked immediately below must be asked to produce the necessary documents.

6.2. Notification of unsuccessful applicant companies

CFI will inform all the other candidates that their bids have been rejected, stating the reasons why they have been rejected.

This notification informs the candidates of name of the successful tenderer and the reasons that led to its bid being chosen.

6.3. Notice of cancellation of the process

CFI may, at any time and up to the notice of award of the Contract, decide not to continue with the process¹⁰.

In this case, the abandonment of the procedure, an unilateral decision taken by CFI, will not give rise to any indemnity or compensation of any kind. The reasons for this decision remain at the discretion of CFI, which is not required to communicate them to the candidate.

6.4. No compensation for unsuccessful candidate

Unsuccessful candidates shall not be entitled to any compensation.

Article 7. ADDITIONAL INFORMATION

To obtain any additional information about the tender process or documents, candidates must send a request in good time via the platform at <https://www.marchespublics.gouv.fr>

Candidates may ask their questions before the closing time indicated on the cover page.

CFI will answer these questions and send its answers via PLACE before the closing time indicated on the cover page.

Candidates are reminded that in the event of anonymous withdrawal of the tender file on the PLACE platform, the candidate will not have access to any correspondence and will not receive any notification relating to the publication of questions/answers or modification of the published tender file. Such correspondence is sent only to authenticated candidates.
