The architectural floor plan of the first floor of the 'R' building is a complex layout with various rooms and corridors. The plan is oriented with the 'R' building's entrance at the top. The main entrance is labeled 'ext' and is located at the top center. The plan includes several rooms, including a large central hall (Cd12), a smaller room (Cd11), and a room (Cd10) on the right. There are also rooms labeled Cd14, Cd13, and Cd15 on the left. The plan shows a central corridor (Cd12) that runs horizontally across the middle. A large room (Cd12) is located at the top right, and a smaller room (Cd11) is located at the bottom right. A room (Cd10) is located at the bottom left. The plan also shows a large room (Cd14) on the left, a room (Cd13) in the center, and a room (Cd15) at the bottom left. The plan includes dimensions for various rooms and corridors, as well as angles. The plan is color-coded, with different colors used for different rooms and corridors. The plan is a detailed architectural drawing that shows the layout of the first floor of the 'R' building.
