INTERNAT DE PHARMACIE
RDC - RANGUEIL

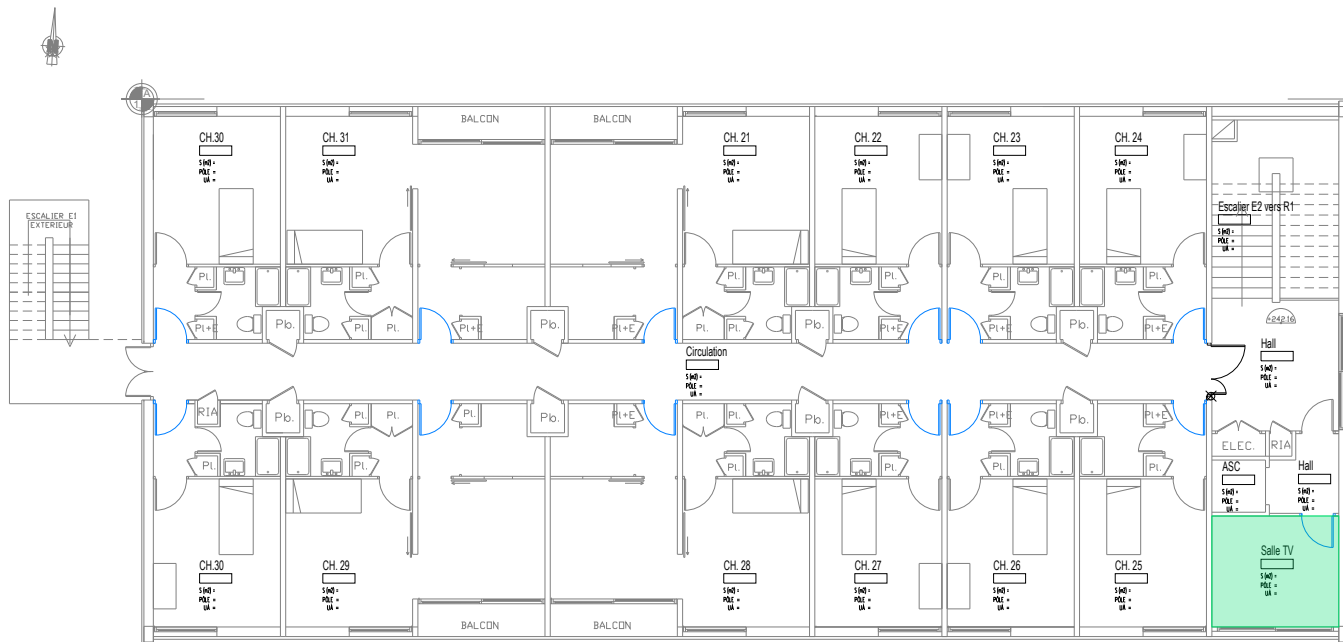

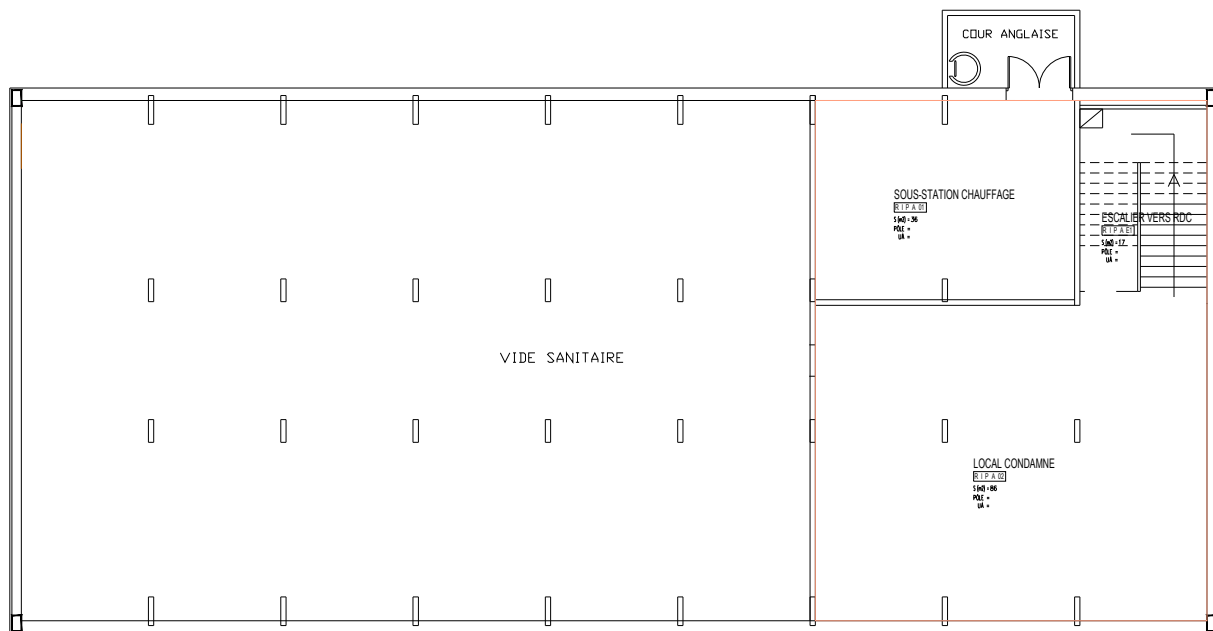

A horizontal number line is shown, starting at 0 and ending at 10m. The line is divided into 10 equal segments by 9 vertical tick marks. The segments alternate between being shaded dark gray and unshaded (white). The segments starting from 0 are shaded, unshaded, shaded, unshaded, shaded, unshaded, shaded, unshaded, shaded, and unshaded. The midpoint of the line is labeled with the number 5.
