

ALBERVILLE

S/S

fibre

PC 16A

local info

The diagram is a floor plan of a building with various rooms and corridors. A central staircase is marked with vertical lines. Two blue rectangular blocks are positioned in the upper-left and middle-left areas. Two curved blue lines originate from these blocks and converge at a yellow circular node. A straight black arrow labeled 'fibre' points from the left towards this node. A curved purple line labeled 'local info' points from an orange rectangular block to a dark blue circular node located just below the yellow one. A straight black arrow labeled 'PC 16A' points from the left towards this dark blue node.
