- Bid Submission Checklist
- CI_F010ENG_v01 Beneficial owners declaration form

Modification of the tender documents

Modifications may be made to the tender documents up to 6 days prior to the bid submission deadline.

Modifications are only forwarded to the economic operators duly identified during the tender document consultation phase.

Candidates/bidders must respond on the basis of the latest modified documents. Should any candidate/bidder have submitted any bid or offer prior to modification, they may resubmit based on the latest modified documents prior to the bid reception deadline.

ARTICLE 2: GENERAL CHARACTERISTICS OF THE PROPOSED CONTRACT

Form of the contract

The contract is a framework contract via purchase order entered into with a single operator (single contractor per LOT)

Estimated amount of the need

The amount of the contract depends on the prices offered by the selected candidate. However, the provisional amount of the contract is fixed at a maximum of:

Lot 1 – Visibility Items: 53.000,00 EURO (small lot)

Lot 2 – Promotional Items: 360.000,00 EURO

Lot 3 – Various Bags: 15.000,00 EURO (small lot)

Term of the contract

The provisional term of the contract is 30 months from its award date. For illustrative purposes only, the anticipated award date is 27/04/2026. However, the contracting authority reserves the right to terminate the contract earlier in accordance with the termination provisions set out in the contract.

Allotment

The tender is divided into 3 lots, broken down as follows:

- Lot 1: Visibility Items (26-AC1466);
- Lot 2: Promotional Items (26-AC1467);
- Lot 3: Various Bags (26-AC1468).

Candidates must present their bids for all services required in line with the defined allotment breakdown. Each lot will be evaluated separately. A candidate can bid for one lot or more than one lot. Bids must be submitted for all items in the lot; partial bids cannot be submitted.

If a candidate is ranked first for several lots, the contracting authority may request an additional explanatory note in order to verify that the candidate has the necessary technical, human and organizational capacity to perform all the lots concerned.

Should the proposed organization or resources be considered insufficient to ensure the proper execution of all the lots within the required timeframe, the contracting authority reserves the right to award one or more of the lots to the candidate ranked second for the relevant lot.

Candidates are therefore required to submit a separate response and technical approach for each lot.

Optional tranches

The contract does not contain any optional tranches.

Variants are not permitted.

ARTICLE 3: CANDIDATE PARTICIPATION CONDITIONS

Candidate presentation conditions

A single entity may not represent more than one candidate for any given tender (Article R. 2142-4 of the French Public Procurement Code). In the context of this tender, however, the contracting authority does not authorise the candidate to present multiple offers when acting at the same time as:

- an individual candidate and member of one or more consortia of economic operators;
- a member of multiple consortia of economic operators.

In the event of an application being made by a consortium of economic operators, each member of the consortium must provide all the documents and information certifying their legal, professional, technical and financial capacity. The consortium's capacities will be assessed on an overall basis.

Grounds and conditions of exclusion

Notably under:

- The French Law no. 2016-1691 of 9 December 2016 on transparency, anti-corruption and modernisation of the economy, the so-called "Sapin 2" law;
- Chapter II of the French Monetary and Financial Code setting out provisions for the freezing of assets and the prohibition of making funds available (notably Article L. 562-4 and Article L. 562-5);
- Relevant requirements emanating from accreditation for managing delegated EU funds (Pillar 7 relating to exclusion from accessing financing);

Candidates or their representative in any of the situations set out in Articles L.2141-1 to L.2141-10 of the French Public Procurement Code, or which are on any official exclusion list, shall be excluded from the procedure, whether their situation is established by means of their own declarations or through the application of vigilance measures by the contracting authority.

However, where the exclusion decision is at the discretion of the contracting authority, it shall invite the candidate(s) liable to exclusion to present their observations in order to establish, via all means and within a reasonable period not exceeding 10 days, that the measures required to rectify the failings laying behind exclusion have been taken and, as applicable, that their participation in the tender will not undermine equality of treatment among the bidders.

Where an operator finds itself to be in a position of exclusion during the procedure, it shall notify the contracting authority without delay, which shall apply exclusion on these grounds.

Minimum prerequisites in terms of economic, technical and professional capacity

The contracting authority imposes the following minimum capacity levels on candidates:

ECONOMIC AND FINANCIAL CAPACITY

- Minimum annual revenues (excluding VAT) for each of the last three available financial years must be met per Lot as specified below, and Tenderers shall complete “Annex VIII – Annual Revenue Chart” and provide supporting documents as proof.
Lot 1 – Visibility Items: 20.000,00 EUR exc. VAT.
Lot 2 – Promotional Items: 125.000,00 EUR exc. VAT.
Lot 3 – Various Bags: 5.000,00 EUR exc. VAT.

TECHNICAL AND PROFESSIONAL CAPACITY

- At least 3 contracts (or, where full contracts cannot be provided due to confidentiality, official purchase orders, invoices, delivery notes, client certificates, or reference letters) **completed in the last 3 years** preceding the deadline for submission of tenders for each Lot for which the tenderer submits an offer, in the field of customised items corresponding to that Lot, with a total value of minimum EUR 53.000,00 for Lot 1 – Visibility Items, EUR 360.000,00 for Lot 2 – Promotional Items, and EUR 15.000,00 for Lot 3 – Various Bags (excluding VAT);
- Legal representation in Türkiye (for international companies).

Each consortium member must provide all the documents required under these Rules. In order to demonstrate its professional, technical and financial capacity, the candidate may ask for due consideration to be given to the professional, technical and financial capacity of one or more economic operators. In such cases, it must demonstrate the capacities of the other economic operator(s) from which it benefits for contract implementation.

In the case of a temporary consortium, the aforementioned participation conditions will be assessed on an overall basis; the application file must include authorisation of the lead company from its co-contractors, which may be issued via form DC1.

Specific requirements for consortia of economic operators

Grounds for the exclusion of consortia

Where the grounds for exclusion from the tender procedure concern one of the consortium members, the contracting authority shall demand its replacement by an entity not subject to the grounds for exclusion, to take place within 10 days of the lead company receiving said demand. Failing this, the consortium shall be excluded from the procedure;

Form of the consortium

The consortium shall be jointly and severally liable.

Subcontracting

Grounds for exclusion in the case of subcontracting

Entities subject to grounds for exclusion cannot be accepted as subcontractors.

Where the subcontractor subject to grounds for exclusion is presented at the application phase, the contracting authority shall demand its replacement by an entity not subject to the grounds for exclusion, to take place within 10 days of the candidate receiving said demand. Failing this, the candidate shall be excluded from the

procedure.

Presentation of a subcontractor

Subcontractors are to be presented using form DC 4 (Subcontracting Declaration)¹ duly completed by the subcontractor and the candidate, incorporating a statement of the subcontractor's professional, technical and financial capacity, in addition to a sworn declaration that the subcontractor is not subject to any prohibition on participating in public procurement.

ARTICLE 4: PRESENTATION OF BIDS AND SUBMISSION PROCESS

Bidders must submit a complete bid incorporating the documents specified below. The requested documents must be signed by the bidder, the lead company of the temporary consortium or each of the members of the consortium.

Application documents

Candidates must submit the following application documents:

- Annex VI – Sworn Statement on Exclusion Criteria, The Absence of Conflict of Interest;
- Annex VII – The Expression of Interest form;
- As applicable, the court ruling on receivership (*redressement judiciaire*);
- A description of the technical resources that meet the participation conditions set out below:
 - o At least 3 contracts (or, where full contracts cannot be provided due to confidentiality, official purchase orders, invoices, delivery notes, client certificates, or reference letters) completed in the last 3 years preceding the deadline for submission of tenders for each Lot for which the tenderer submits an offer, in the field of customised items corresponding to that Lot, with a total value of minimum EUR 53.000,00 for Lot 1 – Visibility Items, EUR 360.000,00 for Lot 2 – Promotional Items, and EUR 15.000,00 for Lot 3 – Various Bags (excluding VAT);
- A description of the economic and financial resources that meet the participation conditions set out below:
 - o Revenue declarations for the last three available financial years;
 - o "Annex VIII – Annual Revenue Chart" document and provide supporting documents as proof.;
- The safety evaluation questionnaire, for any contract whose execution implies the movement of its personnel (or its subcontractor) in an orange or red zone (in accordance with the regional vigilance maps made available by the French Ministry of Europe and Foreign Affairs (<https://www.diplomatie.gouv.fr/fr/conseils-aux-voyageurs/>));
- CI_F010ENG_v01 Beneficial owners declaration form

Bid documents

Candidates must submit a complete bid file containing the following documents:

- The draft contract, duly completed signed and dated, and in annex:
 - o Annex II – Technical Proposal Form with supporting documents as Data sheet, catalogue, brochure. Bidder must show clearly in the data sheet / catalogue / brochure, what exact brand, model belongs to what item;

¹ Form DC4 is available at: <https://www.economie.gouv.fr/daj/formulaires-mise-a-jour-formulaire-declaration-sous-traitance-dans-marches-publics>

- Annex III – Financial Proposal Form;
- Annex IX – Case Study

Bid validity period

The validity of bids submitted shall be at least 120 days from the submission deadline.

Bid submission process

Bids submitted in paper format

Bids submitted in paper format will be rejected.

Electronic submission

In order to access the tender consultation space or to submit their bid, bidders must connect to the French government procurement platform at:

<https://www.marches-publics.gouv.fr>

Electronic submission is mandatory. Any submission via other means will be rejected.

The bid submission procedure is detailed on the website www.marches-publics.gouv.fr.

On this site, bidders will notably find a user guide available for download which specifies the platform's conditions of use, notably the technical prerequisites and electronic certificates.

Should they so wish, bidders may make contact by phone on 01 76 64 74 07 on all business days between 9am and 7pm in order to obtain technical assistance with how to complete all the necessary tasks.

In the event of allotment, all lots must be covered by an electronic submission. However, it is possible to make a single electronic submission for multiple lots provided that the lots covered by a bid can be identified without ambiguity.

The costs of accessing the network and of electronic signature shall be borne by the candidate.

Bidders are invited to test the configuration of their work device and to perform a test tender to ensure that their technical environment is functioning as required.

Bidders' attention is drawn to the fact that they must at least have internet browser software. It is not mandatory to have an electronic signature system.

In order to make an offer, bidders must forward files in the following computer formats: PDF, RTF, ZIP, suite Microsoft Office, LibreOffice or Open Office. Any computer file in a different format will be declared null and void.

NOTE:

All bid files must be free of computer viruses and must have been previously treated to this end by the bidder, using the latest version of an antivirus software. The same applies to all other files exchanged during this public procurement procedure.

The contracting authority may place any file containing a virus in a security archive. It will therefore be deemed never to have been received.

NB: Bidders' attention is drawn to the time required to deliver large volume electronic files. The average downloading time may vary according to various parameters, such as the technical capacity of the device, the type of internet connection, traffic on the network, etc.

To the extent that the date and time of completed upload constitutes the legal reference for submission of electronic bids, bidders are invited to allow sufficient time for all electronic submissions.

Even though its bid for this public procurement procedure will have been submitted electronically, the bidder undertakes, notably if its bid has been accepted, to provide contractually valid paper documents. In this regard, it also undertakes that the natural person providing the electronic signature also provides their handwritten signature without making any modifications to the documents, to be forwarded to the contracting authority in this format. Lastly, the bidder undertakes to accept notification in paper format, in accordance with standard practices.

ARTICLE 5: ANALYSIS OF APPLICATIONS

Applications are selected by the Evaluation Committee of Expertise France in accordance with the following procedure.

Under Article R.2161-4 of the French Public Procurement Code, the Evaluation Committee may decide to examine offers before applications.

In such cases, the supporting documentation for aptitude and capacity and the evidence relating to grounds for exclusion are only requested by the contracting authority from bidders preselected for award of the tender.

Application supplementary information requests

Before examining applications, should the contracting authority note that requested documents or information are missing or incomplete, it may ask the bidders concerned to complete their application pack within a deadline applicable to all such bidders. The deadline will be specified in the request for supplementary information.

Applications that are incomplete or which remain incomplete following a request for additional information will be eliminated.

Rejection of late applications - Opening bids

The Bid Opening Committee (meeting in non-public session) lists the bids received, the identity of applicants and the composition of the bids submitted.

Bids received after the deadline will be immediately rejected.

Admissibility of applications

In accordance with Article 3 of this document covering the conditions for participation, the Evaluation Committee of Expertise France analyses the admissibility of applications based on the following criteria:

- Candidate's registration at the trade and companies registry (or equivalent)
- Candidate's compliance with its social security obligations (No Social Security Debt Declaration)
- Candidate's compliance with its tax obligations (No Tax Debt Declaration)
- The applicant must not be in any of the situations set out in Articles L. 2141-1 to L. 2141-6 and L. 2141-7 to L. 2141-11 of the French Public Procurement Code, nor be on any official exclusion list, whether their situation is established by means of their own declarations or through the application of vigilance measures by the contracting authority
- The candidate or its representative must not be in a situation of conflict of interest vis-à-vis the contracting authority and/or any beneficiary of the procurement contract
- Applications not demonstrating professional aptitude and/or which manifestly do not have the professional, technical or financial capacity required for this tender will be eliminated.
- The candidate must provide evidence of a reliable internal security system to guarantee the safety of the persons involved in the implementation of the contract when travel is planned in an organ or red zone (in accordance with the regional vigilance maps made available by the French Ministry of Europe and Foreign Affairs <https://www.diplomatie.gouv.fr/fr/conseils-aux-voyageurs/>).

ARTICLE 6: BID EVALUATION, NEGOTIATIONS AND AWARD

The bid selection procedure is conducted by the Evaluation Committee of Expertise France in accordance with the following procedure:

Rejection of late bids - Opening bids

The Bid Opening Committee (meeting in non-public session) lists the bids received, the identity of applicants and the composition of the bids submitted.

Bids received after the deadline will be immediately rejected.

Bid analysis

After having verified that the bids received are conforming, admissible and appropriate, the Evaluation Committee of Expertise France analyses the bids from selected bidders in accordance with the following criteria.

Rejection of non-conforming, inadmissible or inappropriate bids

The Evaluation Committee examines all bids received and, in accordance with Article R.2152-1 of the French Public Procurement Code, rejects bids judged to be non-conforming, inadmissible or inappropriate, as applicable, after having implemented the regularisation procedure set out in Article R.2152-2 of said code.

Comparison of bids for selection of the most economically beneficial bid

Bids will be assessed separately in accordance with the following criteria by awarding a score up to the maximum number of points per criterion as set out below:

Criterion 1: price of the services

The **financial score (FS out of a maximum of 40 points)** will cover the comparison of the financial offers of all candidates having submitted a conforming bid.

Criterion 2: Technical offer (60 points)

Sub-criteria for assessing the technical quality	Maximum number of points
Sub-criterion 1: Proposed structuring of work and quality control This criterion will be assessed on the basis of the Case Study (Annex IX). Tenderers are invited to describe: • The working methodology, describing the internal structure and the steps between the receipt of a purchase order and the delivery of the items. (10 points) • Contractual and organisational arrangements to guarantee timely delivery of the each purchase order items. (5 points) • The quality control procedures. (5 points)	20
Sub-criterion 2: Technical compliance (<i>If at least one of the offered products does not comply with the specifications, the bidder will fail and receive 0 (zero) points from this criterion.</i>)	35
Sub-criterion 3 – Environmental performance of the proposed products Assessment of the measures proposed by the tenderer to reduce the environmental impact of the supplied items, including the use of recycled or sustainable materials, reduction of packaging, and the existence of relevant environmental certifications.	5

TOTAL	60

Each technical offer, deemed to be technically conforming, will be attributed a **technical score (TS out of a maximum of 60 points)** by adding up the weighted scores obtained for each sub-criterion.

Bids having obtained a technical score of less than 21/60 will be deemed to be inappropriate.

Negotiations

This tender does not have any provisions for negotiation

Award process

An **overall score (OS out of a maximum of 100 points)** obtained by adding together the technical and financial scores (**OS=FS+TS**) will be attributed to each bid that has been assessed for its technical and financial content.

The bidder who obtains the highest overall score will be deemed to have made the most beneficial economic offer and will be awarded the contract.

The contracting authority may decide not to pursue the tender for reasons of public interest.

ARTICLE 7: PROCESSING OF PERSONAL DATA IN THE CONTEXT OF THIS TENDER AND FOR THE PURPOSES OF CONTRACT MONITORING

Under Article 13 or Regulation (EU) no. 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (GDPR), the applicants/bidders are notified that personal data, notably name, first name and e-mail address collected when using under the French government procurement platform (<https://www.marches-publics.gouv.fr>) in the context of this tender procedure and execution of the associated contract, may be processed.
