Coupe transversale

[illegible]

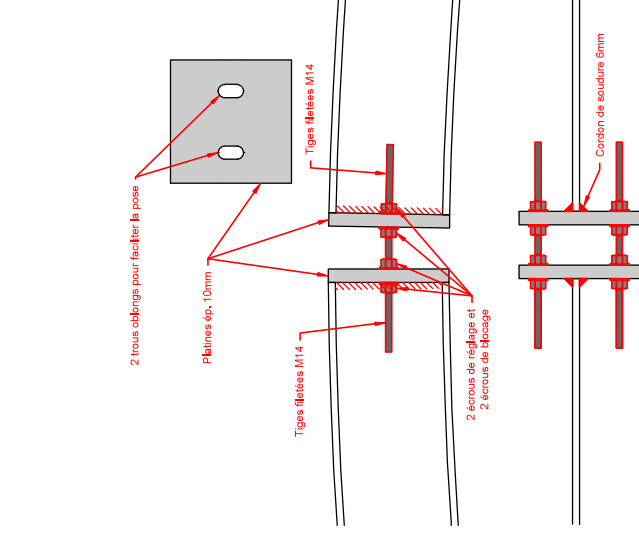

Confortement provisoire

Ech.: 1/50 - 1/4

Coupe longitudinale

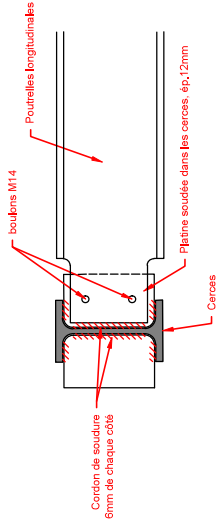

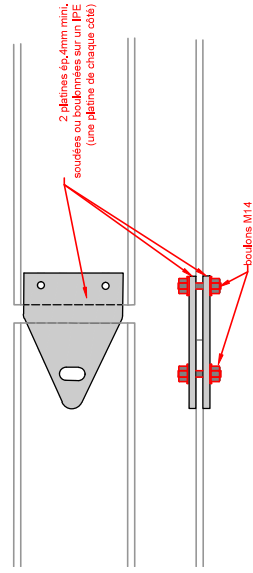

Détail 2

Détail assemblage des raidisseurs

Détail 1

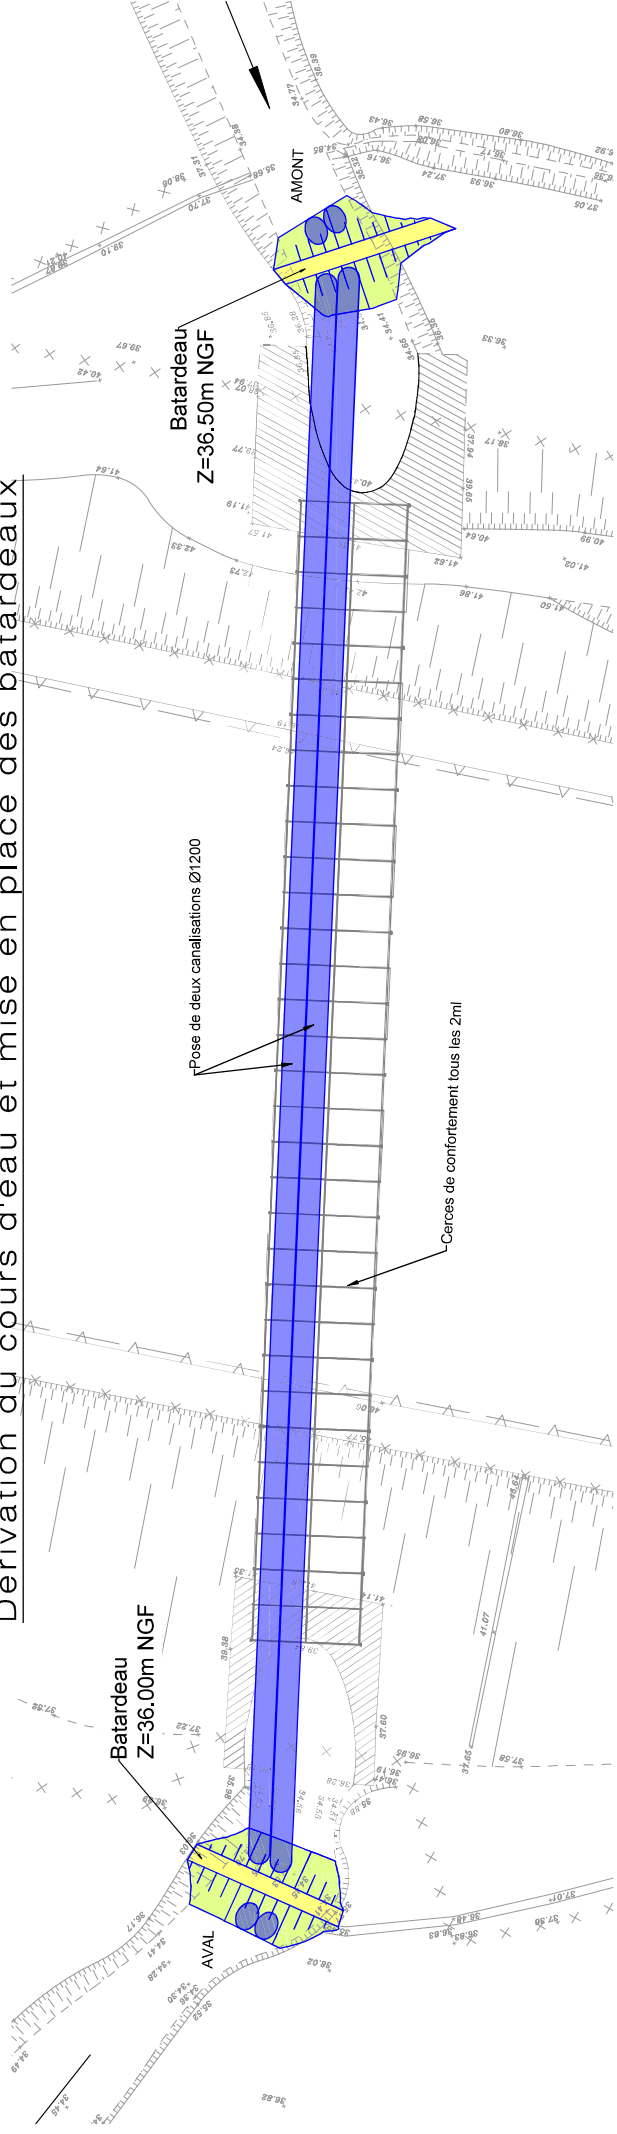

Zoom sur visserie

Confortement définitif - Phase 1a

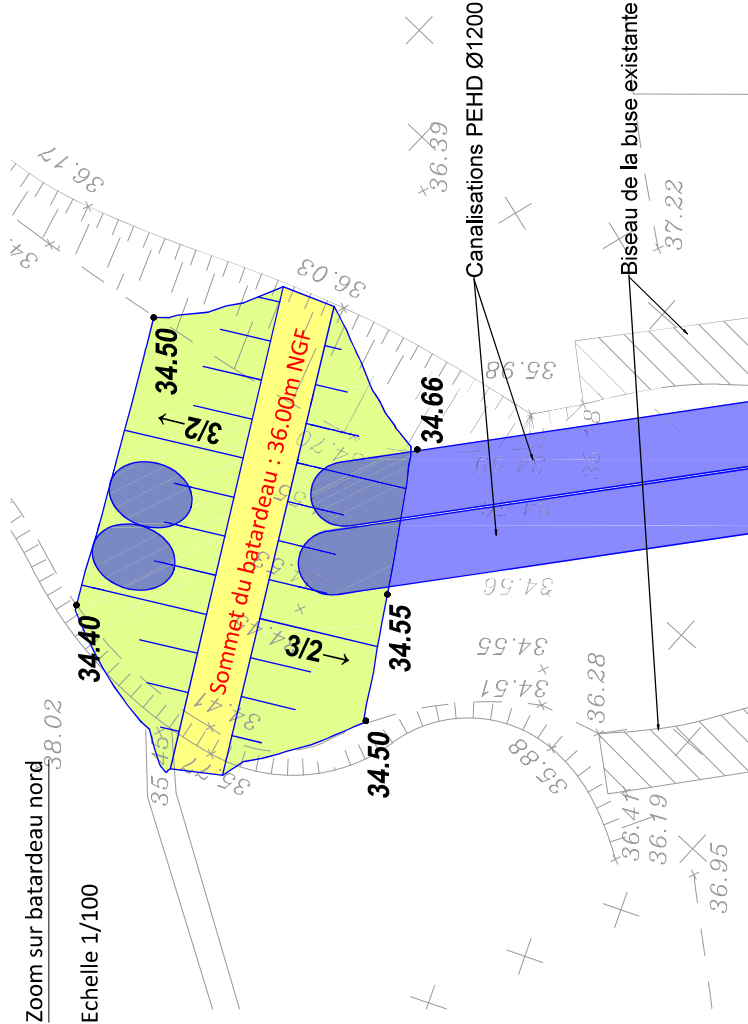

Ech.: 1/300

Dérivation du cours d'eau et mise en place des batardeaux

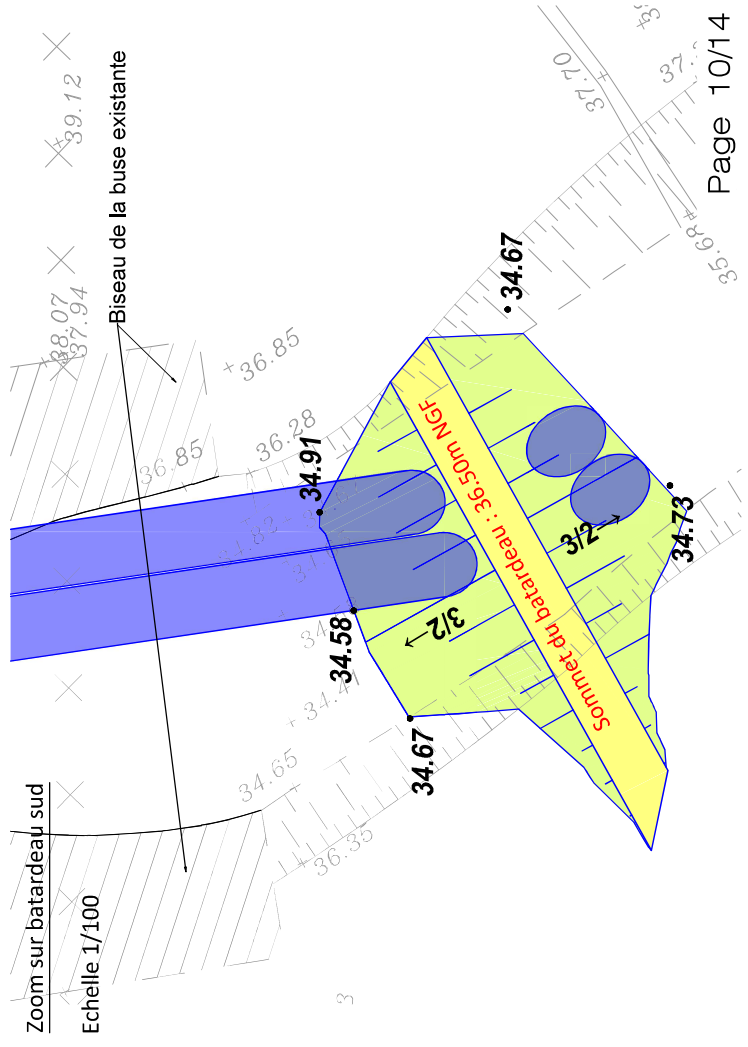

Zoom sur batardeau nord

Echelle 1/100

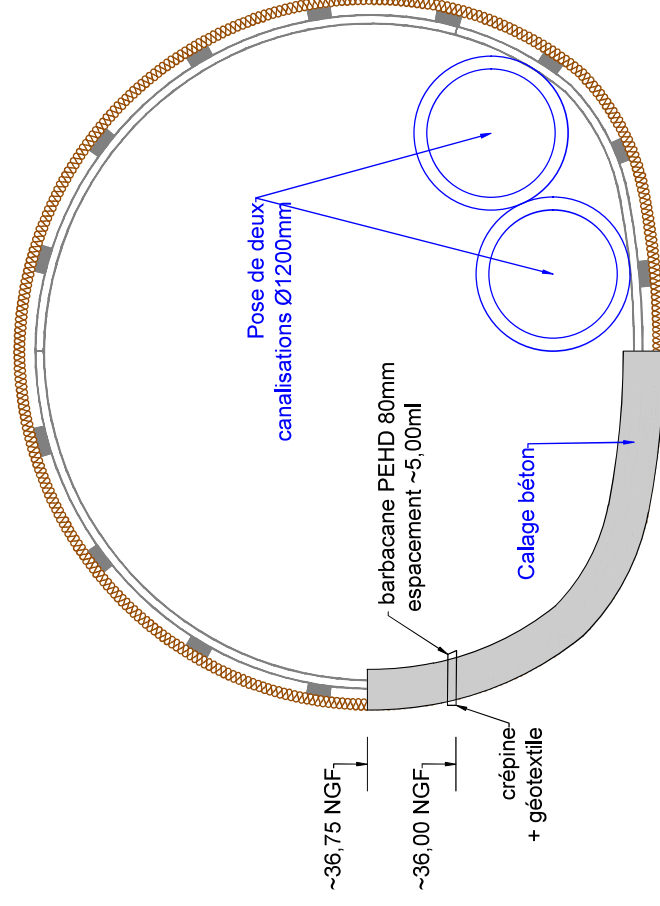

Zoom sur batardeau sud

Echelle 1/100

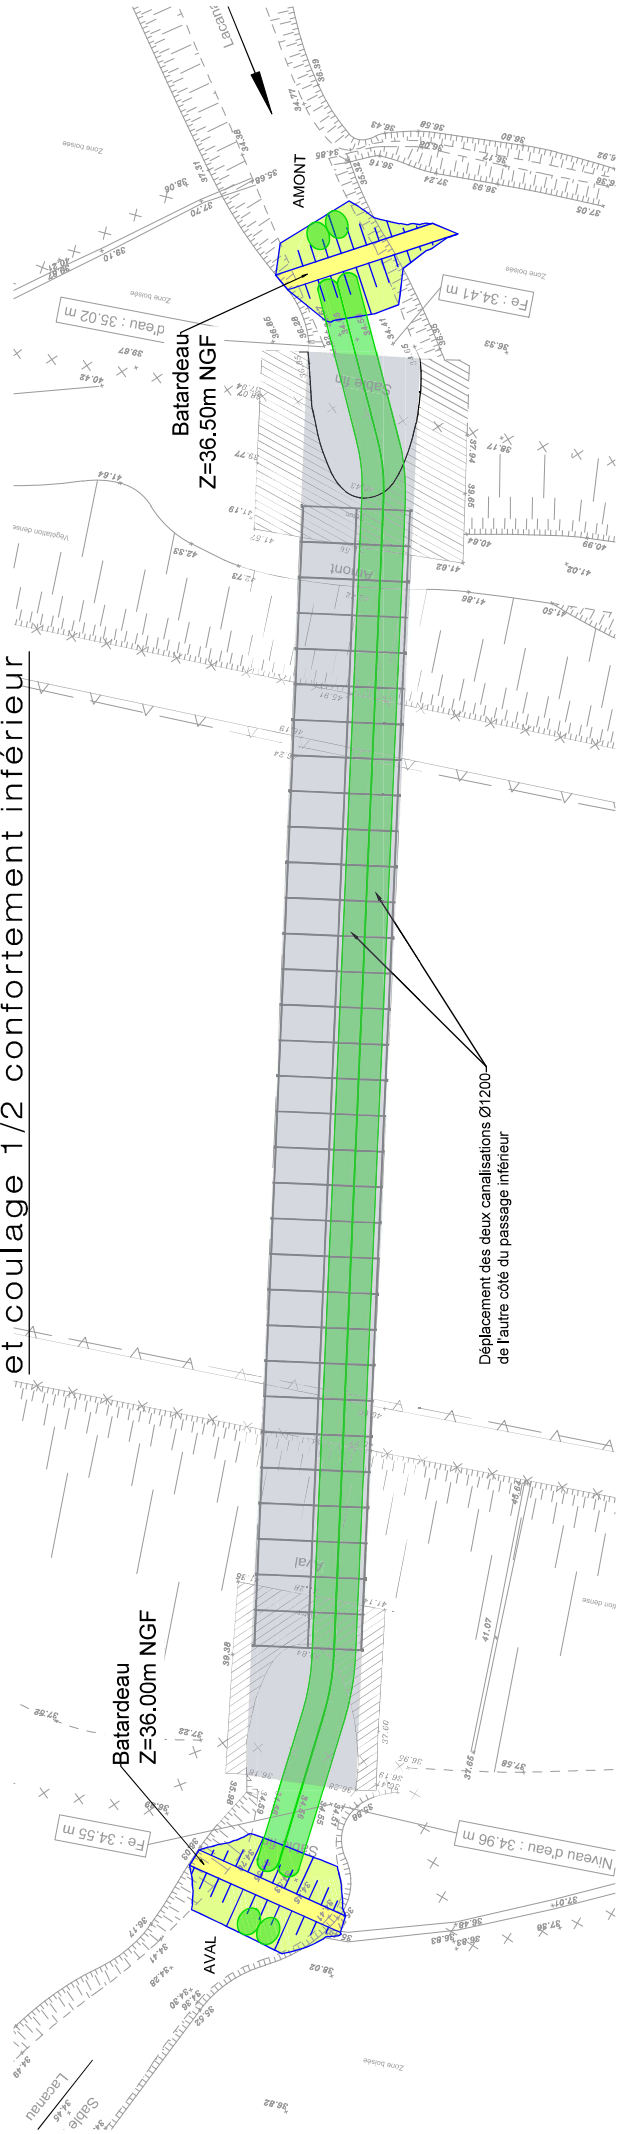

Ech.: 1/300 - 1/50

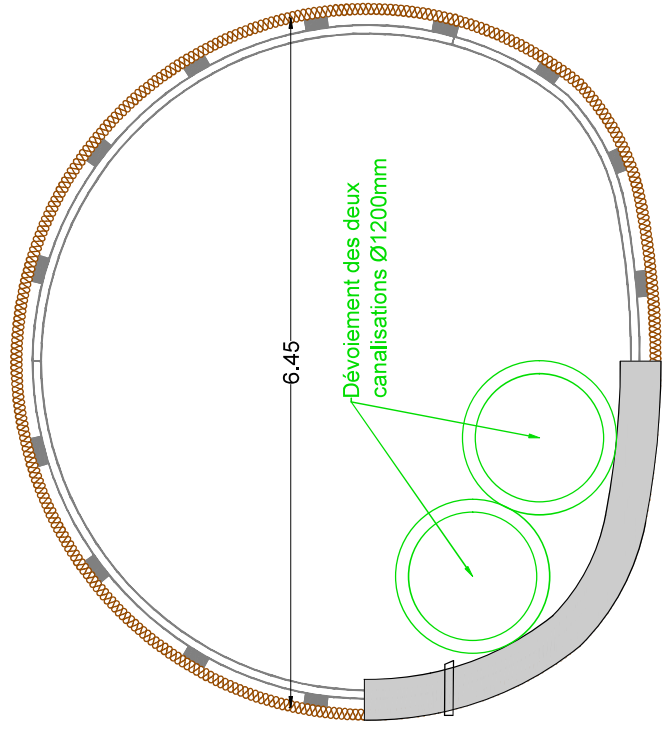

Confortement définitif - Phase 2

Ech.: 1/300 - 1/50

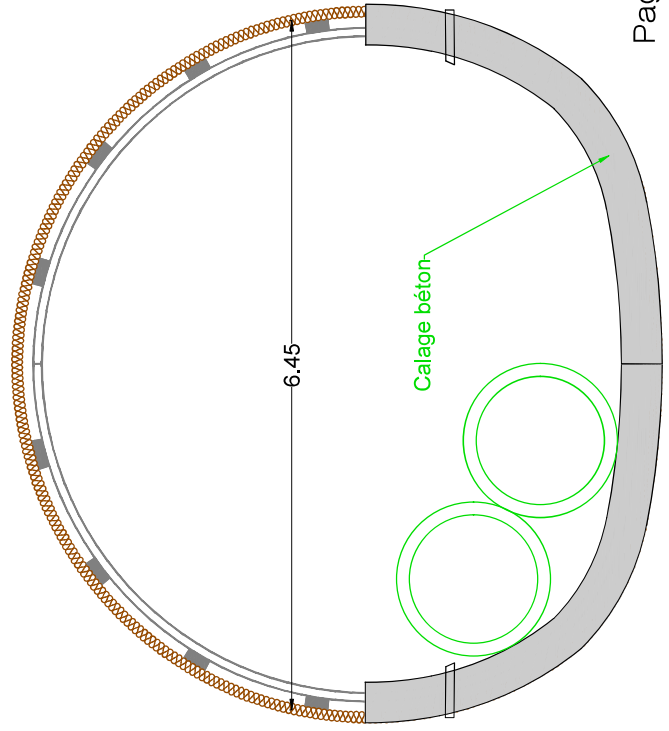

Basculement des canalisations provisoires
et coulage 1/2 confortement inférieur

PHASE 2A - Coupe transversale sur dérivation côté rive droite

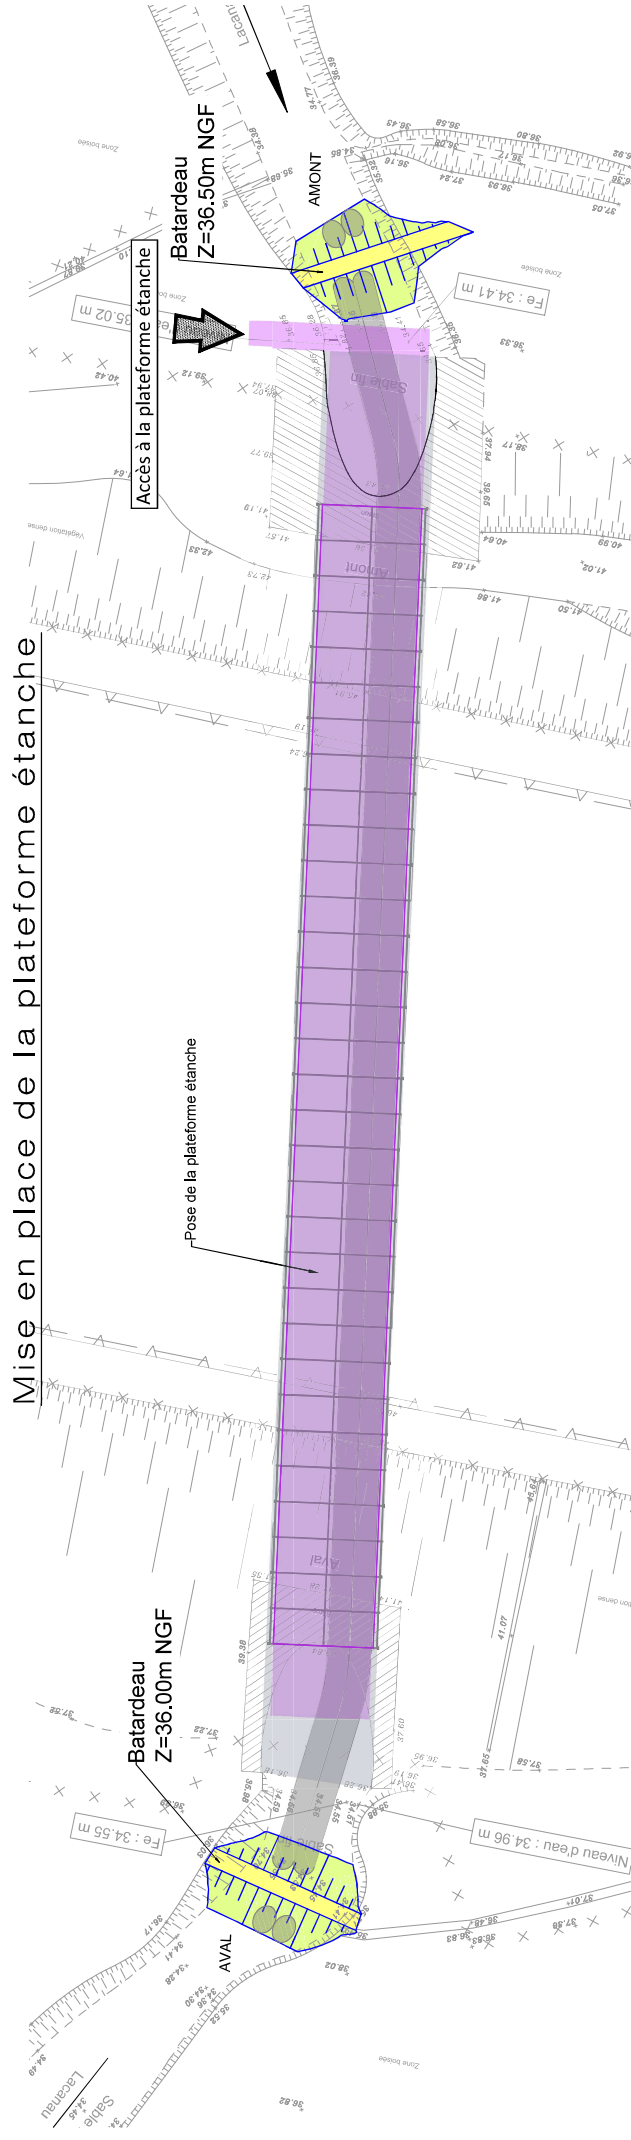

PHASE 2B - Coupe transversale sur réalisation du demi radier + piédroit rive gauche

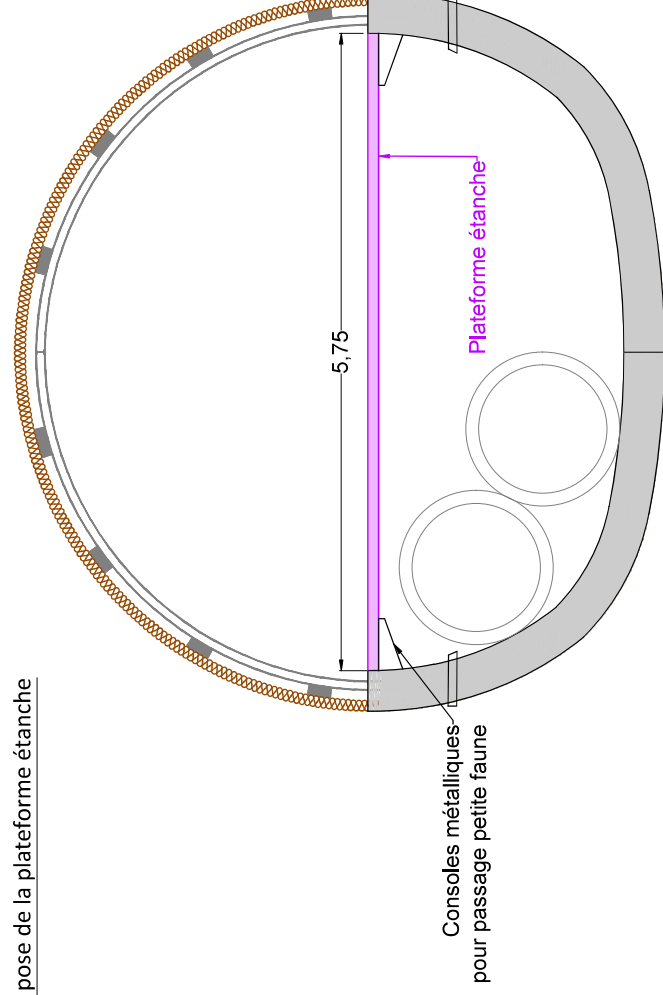

Confortement définitif - Phase 3

Ech.: 1/300

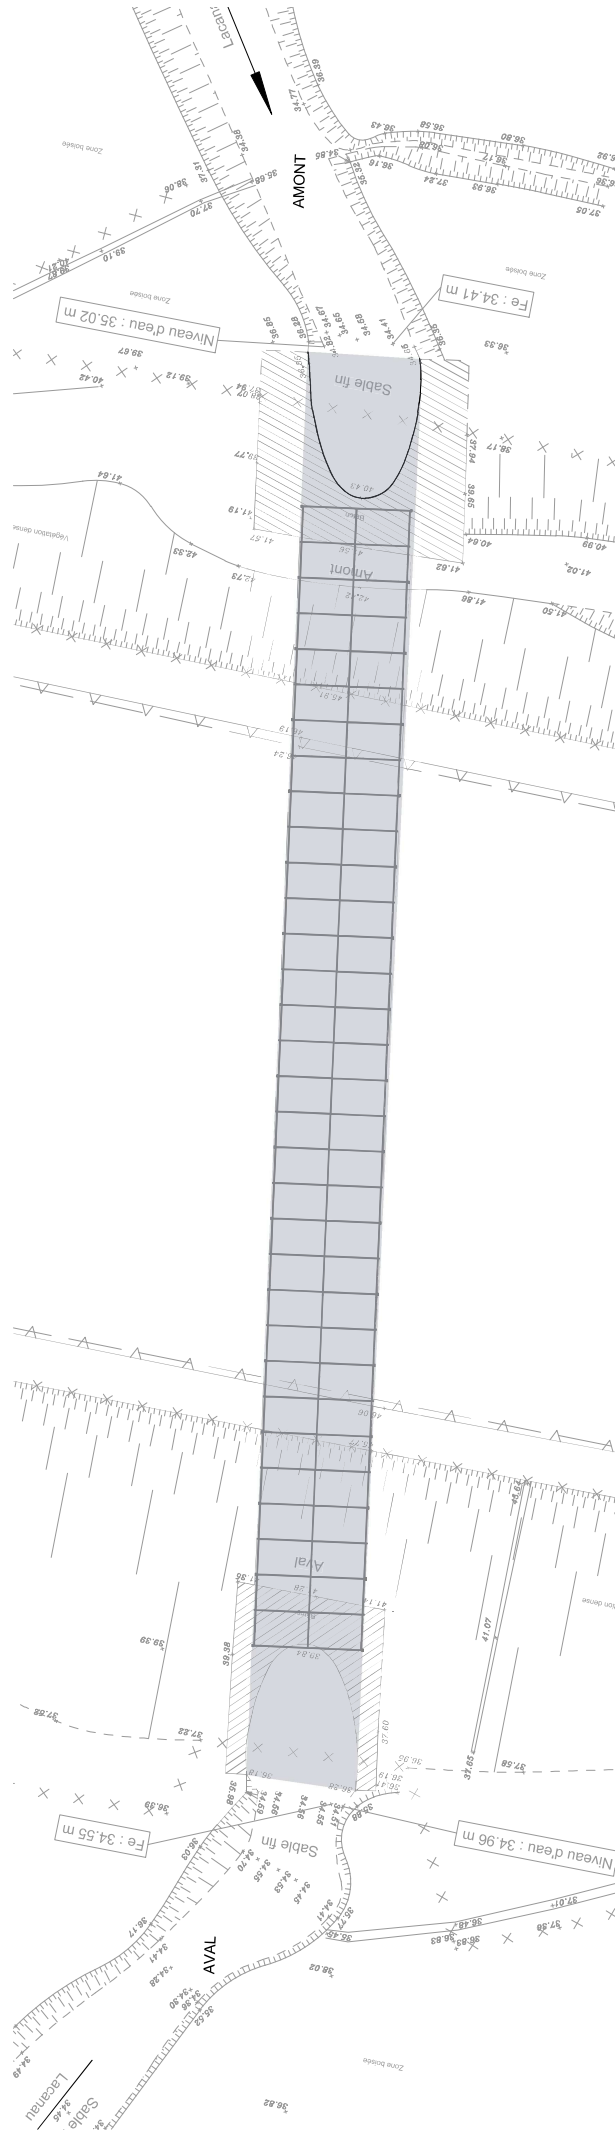

PHASE 3 - Coupe sur la pose de la plateforme étanche

Confortement définitif - Phase 4

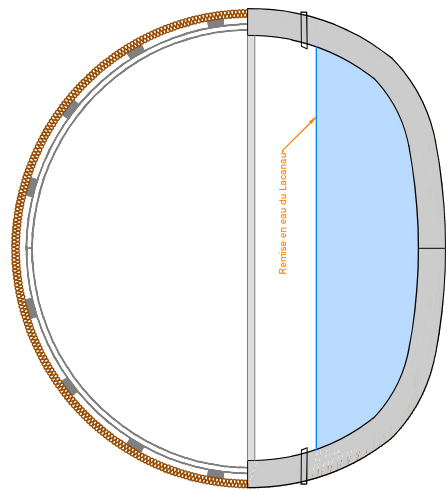

Ech.: 1/300 -1/75

Réalisation du confortement supérieur,
Dépose des canalisations provisoires et des batardeaux

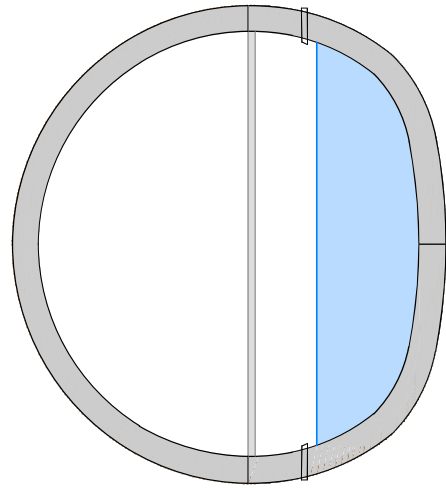

PHASE 4a - Remise en eau du Lacanau

Echelle 1/75

Phase 4b - Réalisation de la coque supérieure en béton projeté

Echelle 1/75

Phase 4c - Remise en situation de service

Echelle 1/75
