

[illegible][illegible]

Architectural drawing of a building facade showing a section through a staircase and two wings of a residential building. The drawing includes floor levels, window and door dimensions, and structural details. Key features include a central staircase with a landing, two wings of a building with multiple windows and doors, and a central entrance area. Dimensions are provided for various elements, including window heights (e.g., 2.67m, 2.60m), door heights (e.g., 2.00m), and floor levels (e.g., R+1, RDC). The drawing is labeled with 'R+1' and 'RDC' indicating the floor levels.
