Plan de situation

The map illustrates the proposed and existing road network for the N54 project between Evreux and Dreux. The main road alignment is shown in a dark blue line, with existing roads in light blue and proposed roads in yellow. Key locations and infrastructure include:

- Evreux** (top): Starting point of the project, marked with a black arrow and the code **27N915420**.
- Corneuil**: A small village located near the start of the project.
- Chavigny-Bailleul**: A village located further along the road.
- Aire de la Petite Vallée**: A designated area for the project, marked with a red dot and the code **PR 13+000**.
- Aire de la Mare des Fourches**: Another designated area for the project, marked with a red dot and the code **PR 13+000**.
- Dreux** (bottom): End point of the project, marked with a black arrow and the code **27N915419**.
- Infrastructure**: The map shows various roads, including D 833, D 5154, D 556E, D 561, and D 556. It also shows bridges, roundabouts, and other road features.
- Scale**: A scale bar at the bottom indicates distances from 0 to 10 km.
