Y= 5185335.80
Gisement : 170.12 gr

Plan view of the bridge deck showing the layout of the two lanes. The diagram includes a north arrow and labels for 'Pente 2%' on both sides. The layout is symmetrical around a central axis. Key dimensions and labels include:

- Berge 1m cunette : 2.5m** (on both sides)
- BAU : 3.00m** (on both sides)
- Chaussée : 7.00m** (on both sides)
- TPC : 3.00m** (central section)
- Chaussée : 7.00m** (on both sides)
- BAU : 3.00m** (on both sides)
- cunette : 2.5m** (on both sides)
- Berge : 1m** (on both sides)

The plan view shows the cross-section of the bridge deck with various lanes and dimensions. The central section is labeled 'TPC : 3.00m'. The lanes are labeled 'Chaussée : 7.00m' and 'BAU : 3.00m'. The side sections are labeled 'Berge 1m cunette : 2.5m' and 'Berge : 1m'. The plan view also shows the 'Pente 2%' on both sides.
