Similar services

Not applicable.

Renewal

The contract is not subject to renewal

Optional tranches

The contract does not contain any optional tranches.

ARTICLE 3: CANDIDATE PARTICIPATION CONDITIONS

Candidate presentation conditions

A single entity may not represent more than one candidate for any given tender (Article R. 2142-4 of the French Public Procurement Code). In the context of this tender, however, the contracting authority authorises the candidate to present multiple offers when acting at the same time as:

- an individual candidate and member of one or more consortia of economic operators;
- a member of multiple consortia of economic operators.

In the event of an application being made by a consortium of economic operators, each member of the consortium must provide all the documents and information certifying their legal, professional, technical and financial capacity. The consortium's capacities will be assessed on an overall basis.

Grounds and conditions of exclusion

Notably under:

- The French Law no. 2016-1691 of 9 December 2016 on transparency, anti-corruption and modernisation of the economy, the so-called "Sapin 2" law;
- Chapter II of the French Monetary and Financial Code setting out provisions for the freezing of assets and the prohibition of making funds available (notably Article L. 562-4 and Article L. 562-5);
- Relevant requirements emanating from accreditation for managing delegated EU funds (Pillar 7 relating to exclusion from accessing financing);

Candidates or their representative in any of the situations set out in Articles L.2141-1 to L.2141-10 of the French Public Procurement Code, or which are on any official exclusion list, shall be excluded from the procedure, whether their situation is established by means of their own declarations or through the application of vigilance measures by the contracting authority.

However, where the exclusion decision is at the discretion of the contracting authority, it shall invite the candidate(s) liable to exclusion to present their observations in order to establish, via all means and within a reasonable period not exceeding 10 days, that the measures required to rectify the failings laying behind exclusion have been taken and, as applicable, that their participation in the tender will not undermine equality of treatment among the bidders.

Where an operator finds itself to be in a position of exclusion during the procedure, it shall notify the contracting authority without delay, which shall apply exclusion on these grounds.

Minimum prerequisites in terms of economic, technical and professional capacity

The contracting authority does not impose minimum capacity levels on candidates.

ECONOMIC AND FINANCIAL CAPACITY

- Average annual turnover of at least EUR 200,000 during the last three completed financial years..

TECHNICAL AND PROFESSIONAL CAPACITY

- At least three (3) years of experience in the supply, installation and commissioning of medical equipment;

- At least two (2) contracts successfully completed during the last five (5) years involving medical laser systems, urology equipment, endoscopy equipment or equivalent medical technologies;
- Availability of qualified technical personnel capable of installation, commissioning, user training and after-sales support in Iraq.

Each consortium member must provide all the documents required under these Rules. In order to demonstrate its professional, technical and financial capacity, the candidate may ask for due consideration to be given to the professional, technical and financial capacity of one or more economic operators. In such cases, it must demonstrate the capacities of the other economic operator(s) from which it benefits for contract implementation.

In the case of a temporary consortium, the aforementioned participation conditions will be assessed on an overall basis; the application file must include authorisation of the lead company from its co-contractors, which may be issued via form DC1.

Specific requirements for consortia of economic operators

Grounds for the exclusion of consortia

Where the grounds for exclusion from the tender procedure concern one of the consortium members, the contracting authority shall demand its replacement by an entity not subject to the grounds for exclusion, to take place within 10 days of the lead company receiving said demand. Failing this, the consortium shall be excluded from the procedure;

Form of the consortium

[The consortium shall be jointly and severally liable].

[The consortium shall be jointly liable]. The lead company is liable for execution of the contract by each of the consortium members with regard to their contractual obligations vis-à-vis Expertise France].

Subcontracting

Grounds for exclusion in the case of subcontracting

Entities subject to grounds for exclusion cannot be accepted as subcontractors.

Where the subcontractor subject to grounds for exclusion is presented at the application phase, the contracting authority shall demand its replacement by an entity not subject to the grounds for exclusion, to take place within 10 days of the candidate receiving said demand. Failing this, the candidate shall be excluded from the procedure.

Presentation of a subcontractor

Subcontractors are to be presented using form DC 4 (Subcontracting Declaration)¹ duly completed by the subcontractor and the candidate, incorporating a statement of the subcontractor's professional, technical and financial capacity, in addition to a sworn declaration that the subcontractor is not subject to any prohibition on participating in public procurement.

ARTICLE 4: PRESENTATION OF BIDS AND SUBMISSION PROCESS

Bidders must submit a complete bid incorporating the documents specified below. The requested documents

¹ Form DC4 is available at: <https://www.economie.gouv.fr/daj/formulaires-mise-a-jour-formulaire-declaration-sous-traitance-dans-marches-publics>

must be signed by the bidder, the lead company of the temporary consortium or each of the members of the consortium.

Application documents

Candidates must submit the following application documents:

- Proof of registration at the trade and companies registry ("K-bis" or equivalent);
- The attached application form;
- As applicable, the court ruling on receivership (redressement judiciaire);
- A description of the human resources that meet the participation conditions set out below:
 - A declaration stating the company's current headcount and the number of supervisory personnel;
- A description of the technical resources that meet the participation conditions set out below:
 - List of references relevant to the object of the contract for projects of similar size, stating the names and contact details of the competent contact persons;
 - Declaration stating the technical tools and equipment available to the candidate for delivery of the services specified in the contract;
 - Professional qualification certificates, ISO certificates or equivalent certifications, where applicable. Should the candidate fail to provide such certificates, it may provide evidence of its professional capacity through other means;
- A description of the economic and financial resources that meet the participation conditions set out below:
 - Revenue declarations for the last three available financial years;
 - Currently valid insurance certificates for civil and/or professional liability;
 - Candidate declaration form (as provided)..

Bid documents

Candidates must submit a complete bid file containing the following documents:

- The draft contract, duly completed, signed and dated, and in annex:
 - o the duly completed financial annexes;
- A technical addendum containing the following information:
 - o Detailed description of the proposed Thulium Fiber Laser System, including technical specifications, brochures and datasheets;
 - o Compliance matrix against the technical specifications;
 - o Methodology for delivery, installation, testing, commissioning and training;
 - o Implementation and action plan;
 - o Delivery and implementation schedule;
 - o Warranty and maintenance arrangements;
 - o List of recommended spare parts and consumables;
 - o Manufacturer's authorization letter (if applicable);
 - o Any additional technical information demonstrating compliance with the Specifications.

Bid validity period

The validity of bids submitted shall be at least 120 days from the submission deadline.

Bid submission process

Bids submitted in paper format

Bids submitted in paper format will be rejected.

Electronic submission

In order to access the tender consultation space or to submit their bid, bidders must connect to the French government procurement platform at:

<https://www.marches-publics.gouv.fr>

Electronic submission is mandatory. Any submission via other means will be rejected.

The bid submission procedure is detailed on the website www.marches-publics.gouv.fr.

On this site, bidders will notably find a user guide available for download which specifies the platform's conditions of use, notably the technical prerequisites and electronic certificates.

Should they so wish, bidders may make contact by phone on 01 76 64 74 07 on all business days between 9am and 7pm in order to obtain technical assistance with how to complete all the necessary tasks.

In the event of allotment, all lots must be covered by an electronic submission. However, it is possible to make a single electronic submission for multiple lots provided that the lots covered by a bid can be identified without ambiguity.

The costs of accessing the network and of electronic signature shall be borne by the candidate.

Bidders are invited to test the configuration of their work device and to perform a test tender to ensure that their technical environment is functioning as required.

Bidders' attention is drawn to the fact that they must at least have internet browser software. It is not mandatory to have an electronic signature system.

In order to make an offer, bidders must forward files in the following computer formats: PDF, RTF, ZIP, suite Microsoft Office, LibreOffice or Open Office. Any computer file in a different format will be declared null and void.

NOTE:

All bid files must be free of computer viruses and must have been previously treated to this end by the bidder, using the latest version of an antivirus software. The same applies to all other files exchanged during this public procurement procedure.

The contracting authority may place any file containing a virus in a security archive. It will therefore be deemed never to have been received.

NB: Bidders' attention is drawn to the time required to deliver large volume electronic files. The average downloading time may vary according to various parameters, such as the technical capacity of the device, the type of internet connection, traffic on the network, etc.

To the extent that the date and time of completed upload constitutes the legal reference for submission of electronic bids, bidders are invited to allow sufficient time for all electronic submissions.

Even though its bid for this public procurement procedure will have been submitted electronically, the bidder undertakes, notably if its bid has been accepted, to provide contractually valid paper documents. In this regard, it also undertakes that the natural person providing the electronic signature also provides their handwritten signature without making any modifications to the documents, to be forwarded to the contracting authority in this format. Lastly, the bidder undertakes to accept notification in paper format, in accordance with standard practices.

ARTICLE 5: ANALYSIS OF APPLICATIONS

Applications are selected by the Evaluation Committee of Expertise France in accordance with the following procedure.

[Under Article R.2161-4 of the French Public Procurement Code, the Evaluation Committee may decide to examine offers before applications.]

In such cases, the supporting documentation for aptitude and capacity and the evidence relating to grounds for exclusion are only requested by the contracting authority from bidders preselected for award of the tender.]

Application supplementary information requests

Before examining applications, should the contracting authority note that requested documents or information are missing or incomplete, it may ask the bidders concerned to complete their application pack within a deadline applicable to all such bidders. The deadline will be specified in the request for supplementary information.

Applications that are incomplete or which remain incomplete following a request for additional information will be eliminated.

Rejection of late applications - Opening bids

The Bid Opening Committee (meeting in non-public session) lists the bids received, the identity of applicants and the composition of the bids submitted.

Bids received after the deadline will be immediately rejected.

Admissibility of applications

In accordance with Article 3 of this document covering the conditions for participation, the Evaluation Committee of Expertise France analyses the admissibility of applications based on the following criteria:

- Candidate's registration at the trade and companies registry (or equivalent)
- Candidate's compliance with its social security obligations
- Candidate's compliance with its tax obligations
- The applicant must not be in any of the situations set out in Articles L. 2141-1 to L. 2141-6 and L. 2141-7 to L. 2141-11 of the French Public Procurement Code, nor be on any official exclusion list, whether their situation is established by means of their own declarations or through the application of vigilance measures by the contracting authority
- The candidate or its representative must not be in a situation of conflict of interest vis-à-vis the contracting authority and/or any beneficiary of the procurement contract
- The candidate must be able to demonstrate adequate implementation of appropriate technical and organisational measures such that data processing conforms with relevant data protection laws and regulations (GDPR and French data protection legislation), thereby guaranteeing the rights of data subjects
- Applications not demonstrating professional capacity and/or which do not meet the minimum capacity levels will be eliminated
- The candidate must provide evidence of a reliable internal security system to guarantee the safety of the persons involved in the implementation of the contract when travel is planned in an organ or red zone (in accordance with the regional vigilance maps made available by the French Ministry of Europe and Foreign Affairs <https://www.diplomatie.gouv.fr/fr/conseils-aux-voyageurs/>).

Application selection

The Evaluation Committee of Expertise France analyses the admissibility of applications based on the following criteria:

- Technical capacity in the supply, installation, commissioning and maintenance of medical equipment;
- Availability of qualified technical personnel capable of installation, commissioning, user training and after-sales support
- Past references during the last five (5) years for projects involving medical laser systems, urology equipment, endoscopy equipment or equivalent medical technologies;

- Economic and financial capacity of the candidate.

Only candidates whose applications are deemed admissible and compliant with the requirements of the Tender Rules will proceed to the technical and financial evaluation stage.

ARTICLE 6: BID EVALUATION, NEGOTIATIONS AND AWARD

The bid selection procedure is conducted by the Evaluation Committee of Expertise France in accordance with the following procedure:

Rejection of late bids - Opening bids

The Bid Opening Committee (meeting in non-public session) lists the bids received, the identity of applicants and the composition of the bids submitted.

Bids received after the deadline will be immediately rejected.

Bid analysis

After having verified that the bids received are conforming, admissible and appropriate, the Evaluation Committee of Expertise France analyses the bids from selected bidders in accordance with the following criteria.

Rejection of non-conforming, inadmissible or inappropriate bids

The Evaluation Committee examines all bids received and, in accordance with Article R.2152-1 of the French Public Procurement Code, rejects bids judged to be non-conforming, inadmissible or inappropriate, as applicable, after having implemented the regularisation procedure set out in Article R.2152-2 of said code.

Comparison of bids for selection of the most economically beneficial bid

Bids will be assessed separately in accordance with the following criteria by awarding a score up to the maximum number of points per criterion as set out below:

Criterion 1: price of the services

The **financial score (FS out of a maximum of 30 points)** will cover the comparison of the financial offers of all candidates having submitted a conforming bid.

Criterion 2: Technical offer

Sub-criteria for assessing the technical quality	Maximum number of points
Sub-criterion 1: Understanding of the project requirements and the proposed methodology for delivery, installation, commissioning, testing, acceptance, and training.	15
Sub-criterion 2: Compliance of the proposed Thulium Laser System with the technical specifications, clinical performance requirements, safety features, accessories, and applicable quality standards.	30
Sub-criterion 3: Warranty conditions, preventive and corrective maintenance services, availability of spare parts and consumables, local technical support, after-sales service, and response/intervention time.	15
Sub-criterion 4: Experience of the bidder and the proposed technical team in supplying, installing, commissioning, and maintaining similar laser surgical systems and other comparable medical equipment.	10
TOTAL	70

Each technical offer, deemed to be technically conforming, will be attributed a **technical score (TS out of a maximum of 70 points)** by adding up the weighted scores obtained for each sub-criterion.

Bids having obtained a technical score of less than 36/70 will be deemed to be inappropriate.

Negotiations

After conducting an initial analysis of the bids, the Evaluation Committee may negotiate with all or some of the bidders in accordance with the principle of equal treatment.

However, the contracting authority reserves the right to award the tender without negotiation.

Bidder interviews – bid negotiations

Following the initial evaluation of bids, bidders may be invited to participate in clarification meetings, technical presentations and/or negotiations.

It is planned for such meetings to take place on or around 31-August-2026.

Meetings may be conducted either in person at the premises of Expertise France or remotely via videoconference.

Following the presentation, the meeting may include a negotiation phase covering all or part of the technical and financial aspects of the bid.

Following negotiations, bidders may be requested to submit an optimised bid by 29-Jul-2026.

The contracting authority reserves the right to award the contract without entering into negotiations.

Award process

An **overall score (OS out of a maximum of 100 points)** obtained by adding together the technical and financial scores (**OS=FS+TS**) will be attributed to each bid that has been assessed for its technical and financial content.

The bidder who obtains the highest overall score will be deemed to have made the most beneficial economic offer and will be awarded the contract.

The contracting authority may decide not to pursue the tender for reasons of public interest.

ARTICLE 7: PROCESSING OF PERSONAL DATA IN THE CONTEXT OF THIS TENDER AND FOR THE PURPOSES OF CONTRACT MONITORING

Under Article 13 of Regulation (EU) no. 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (GDPR), the applicants/bidders are notified that personal data, notably name, first name and e-mail address collected when using under the French government procurement platform (<https://www.marches-publics.gouv.fr>) in the context of this tender procedure and execution of the associated contract, may be processed.
