

33.3

A diagram of a shaded quadrilateral. The side lengths are 4.78, 4.59, 3.03, and 4. The interior angles are 74.14°, 82.52°, 107.36°, and 95.98°. Dashed lines indicate the construction of the angles and the vertical side of length 4.

A diagram of a trapezoid with a gray fill. The top horizontal base is labeled 3.74. The bottom horizontal base is labeled 4.24. The left vertical side is labeled 4. The right slanted side is labeled 3.84. The interior angles are labeled: top-left is 90.46° , top-right is 97.07° , bottom-left is 86.95° , and bottom-right is 85.58° . Dashed lines extend from the top and bottom vertices of the right side to the left vertical side.
